The Educational year book. [5 issues]. Nov 30 2019

Modern Jurisprudence Jul 19 2021 This book provides a concise and accessible guide to modern jurisprudence, offering an examination of the major theories and systematic discussion of themes such as legality and justice. It gives readers a better understanding of the rival viewpoints by exploring the historical developments which give modern thinking its distinctive shape, and placing law in its political context. A key feature of the book is that readers are not simply presented with opposing theories, but are guided through the rival standpoints on the basis of a coherent line of reflection from which an overall sense of the subject can be gained. Chapters on Hart, Fuller, Rawls, Dworkin and Finnis take the reader systematically through the terrain of modern legal philosophy, tracing the issues back to fundamental questions of philosophy, and indicating lines of criticism that build to a fresh and original perspective on the subject.

Psychological Jurisprudence Aug 27 2019 "Psychological jurisprudence - or the use of psychology in the legal realm - relies on theories and methods of criminal justice and mental health to make decisions about intervention, policy, and programming. While the intentions behind the law-psychology field are humane, the results often are not. This book provides a "radical" agenda for psychological jurisprudence, one that relies on the insights of literary criticism, psychoanalysis, feminist theory, political economy analysis, postmodernism, and related strains of critical thought. Contributors reveal the roots of psycholegal logic and demonstrate how citizen justice and structural reform are displaced by so-called science and facts. A number of complex issues in the law-psychology field are addressed, including forensic mental health decision-making, parricide, competency to stand trial, adolescent identity development, penal punitiveness, and offender rehabilitation. In exploring how the current resolution to these and related controversies fail to promote the dignity or empowerment of persons with mental illness, this book suggests how the law-psychology field can meaningfully contribute to advancing the goals of justice and humanism in psycholegal theory, research, and policy." --Book Jacket.

Rethinking the Jurisprudence of Cyberspace Jan 31 2020 Cyberspace is a difficult area for lawyers and lawmakers. With no physical constraining borders, the question of who is the legitimate lawmaker for cyberspace is complex. *Rethinking the Jurisprudence of Cyberspace* examines how laws can gain legitimacy in cyberspace and identifies the limits of the law's authority in this space.

Defining Civil and Political Rights Jan 13 2021 *Defining Civil and Political Rights* provides a comprehensive analysis and commentary on the decisions - technically known as views - of the United Nations Human Rights Committee, for use by human rights lawyers throughout the world. Each of the substantive rights and freedoms set out in the International

Covenant on Civil and Political Rights is considered in detail, by analysis of final reviews and comments of the Human Rights Committee. This second edition has been thoroughly revised and updated to take account of recent jurisprudence on the Human Rights Committee. New material has been added based upon substantive areas of the committee's jurisprudence. Understanding Jurisprudence Oct 22 2021 Perfect for the student new to jurisprudence, this book provides an illuminating introduction to the central questions of legal theory. An experienced teacher of jurisprudence, Professor Wacks' approach is both accessible and entertaining, providing the ideal base for further study.

Nursing Jurisprudence Jun 05 2020 On law, legislation, and malpractice in nursing in the US.

Social Work in Juvenile and Criminal Justice Settings Nov 10 2020 In this completely revised and updated classic, Professors Roberts and Springer, along with 51 justice-oriented and forensic experts, have set the standard of care for mental health treatment and the delivery of social services to crime victims, juvenile and adult offenders, and their families. The second edition of *Social Work in Juvenile and Criminal Justice Settings* was published almost ten years ago in 1997, and was also translated to Chinese. Now Dr. Roberts, Dr. Springer, and their team of 51 prominent chapter authors have done such a thorough job of updating and finding new authors, that the end result is a comprehensive new book. In this third edition, 16 of the 31 chapters are new and specially written for this book. A growing number of mental health professionals are recognizing the need to examine current evidence-based program developments, assessment, and treatment practices with crime victims and offenders. This book focuses on the multiple roles and practices of justice social workers, also known as forensic social workers and crisis counselors. Many professional social workers, counselors and field placement students work in corrections and probation, forensic mental health, addictions treatment, juvenile justice, victim assistance, and police social work settings. In the words of Dean Barbara W. White (former President, Council on Social Work Education, and NASW) in her laudatory Foreword to this edition: "This groundbreaking book provides the necessary blueprints and guidelines for best practices with crime victims as well as juvenile and adult offenders in institutional, community-based, diversion, and aftercare programs. . . . This is the first all-inclusive, authoritative, exceptionally well-written volume on social policies and social work practices in both juvenile justice and criminal justice settings. . . . This book is a landmark achievement." An increasing number of offenders and victims have been found to be

Essays in Jurisprudence and Philosophy May 17 2021 This important collection of essays includes Professor Hart's first defense of legal positivism; his discussion of the distinctive teaching of American and Scandinavian jurisprudence; an examination of theories of basic human rights and the notion of "social solidarity," and essays on Jhering, Kelsen, Holmes, and Lon Fuller.

Civil Procedure in South Korea Jan 01 2020 Derived from the renowned multi-volume *International Encyclopaedia of Laws*, this convenient volume provides comprehensive analysis of the legislation and rules that determine civil procedure and practice in South Korea. Lawyers who handle transnational matters will appreciate the book's clear explanation of distinct terminology and application of rules. The structure follows the classical chapters of a handbook on civil procedure: beginning with the judicial organization of the courts, jurisdiction issues, a discussion of the various actions and claims, and then moving to a review of the proceedings as such. These general chapters are followed by a discussion of the incidents during proceedings, the legal aid and legal costs, and the regulation of evidence. There are chapters on seizure for security and enforcement of judgments, and a final section on alternative dispute resolution. Facts are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance. Succinct, scholarly, and practical, this book will prove a valuable time-saving tool for business and legal professionals alike. Lawyers representing parties with interests in South Korea will welcome this very useful guide, and academics and researchers will appreciate its comparative value as a contribution to the study of civil procedure in the international context.

Texas Jurisprudence Study Guide Jul 31 2022 This study guide is amazing! It is extremely concise and helped me tremendously in preparing for the jurisprudence exam. I solely used this guide in preparing for the exam and passed on my first attempt. I would definitely recommend this to everyone preparing for the jurisprudence exam. Steven Huang MD Neurosurgeon Great study prep! The material is more than adequate and very nicely organized. I love the format of question

and answer. I passed the exam on my first attempt. It saved me a lot of studying time. George Varkarakis MD Plastic Surgeon *Jurisprudence Nov 22 2021 Jurisprudence: Themes and Concepts* offers an original introduction to, and critical analysis of, the central themes studied in jurisprudence courses. The book is presented in three parts each of which contains General Themes, Advanced Topics, tutorial questions and guidance on further reading: Law and Politics, locating the place of law within the study of institutions of government Legal Reasoning, examining the contested nature of the application of law Law in Modernity, exploring the social forces that shape legal development. This second edition includes enhanced discussion of the rise of legal positivism within the context of the rise of the modern state, the changing role of natural and human rights discourse, concepts of justice in and beyond the nation state, the impact of emergency doctrines in contemporary legal regulation, and challenges to the rule of law in light of shifting and competing demands for new types of social solidarity. Accessible, interdisciplinary, and socially informed this book has been revised to take into account the latest developments in jurisprudential scholarship.

The Social Rights Jurisprudence in the Inter-American Court of Human Rights Aug 20 2021 Working with progressive conceptual categories relating to indigenous property, cultural identity, the right to an adequate standard of living and healthcare, the Inter-American Court of Human Rights continues to build a justiciability to determine the social rights of marginalised individuals and groups in the Americas. In a context of interpretative tensions of the social rights as political goals and direct effects provisions, Isaac de Paz González unveils the abilities, and the practices of the Inter-American Court's contribution to the human rights practice in the Global South.

WTO Jurisprudence Feb 23 2022 This book offers a critical examination of the jurisprudence of the World Trade Organization (WTO) as an emancipatory international social contract on trade. The book suggests that the WTO is an international organization built and operating on member states' attribution of authority through consent with legislative, administrative, and adjudicative functions – three functions in one triune personality. With a solid constitutional continuity building on GATT experiences, the WTO has successfully made governments accountable to foreign individuals in various capacities either as traders of goods, providers of services, or holders of intellectual property rights within the global marketplace. With a triune personality, the WTO operates within the reign of state primacy – the force – ultimately for the benefits of individuals – the ends – in the global marketplace, and gains a soul of its own in the institutional evolution – the means – of the global trading regime. Although the tripartite dynamics between states, international institutions, and individuals in the global marketplace are unprecedentedly complex, the WTO's ends of benefiting individuals in the global marketplace has no end. Beyond the critical analysis of WTO's decision-making by consensus, the book critically examines GATT's "common intention" treaty interpretation, Antidumping's NME methodology, TRIPS' public health concerns, and IP-competition trade policy dynamics. A unified WTO jurisprudence looking at the WTO as an international social contract on trade is therefore proposed to allow a fresh look at the force, the means, and the ends of the constitutional evolution of the global trading regime.

The Texas Medical Jurisprudence Exam Nov 03 2022 The most efficient, readable, and reasonable option for preparing for the Texas Medical Jurisprudence Examination, a required test for physician licensure in Texas. The goal of this study guide is to hit the sweet spot between concise and terse, between reasonably inclusive and needlessly thorough. This short book is intended to be something that you can read over a few times for a few hours before your test and easily pass for a reasonable price, with enough context to make it informative and professionally meaningful without being a \$200 video course or a 300-page legal treatise. After all, the Texas JP exam isn't Step 1-it's a \$58 pass/fail test!

Islamic Jurisprudence on the Regulation of Armed Conflict Sep 20 2021 In Islamic Jurisprudence on the Regulation of Armed Conflict, Nesrine Badawi offers a survey of key Islamic legal texts on the subject and analyses the relationship between their deductive structures and the contexts witnessed at the time of their development.

The Jurisprudence Handbook for Dietitians in Ontario Aug 08 2020

Lex Populi Apr 15 2021 This is a book about jurisprudence—or legal philosophy. The legal philosophical texts under consideration are—to say the least—unorthodox. Tolkien, Buffy the Vampire Slayer, Harry Potter, Million Dollar Baby, and other cultural products are all referenced as exemplary instances of what the author calls lex populi—"people's" or "pop law." There, more than anywhere else, will one find the leading issues of legal philosophy. These issues, however, are heavily coded, for few of these pop cultural texts announce themselves as expressly legal. Nonetheless, Lex Populi reads these texts "jurisprudentially," that is, with an eye to their hidden legal philosophical meanings, enabling connections such as: Tolkien's Ring as Kelsen's grundnorm; vampire slaying as legal language's semiosis; Hogwarts as substantively unjust; and a seriously injured young woman as termination's rights-bearer. In so doing, Lex Populi attempts not only a jurisprudential reading of popular culture, but a popular rereading of jurisprudence, removing it from the legal experts in order to restore it to the public at large: a lex populi by and for the people.

Pharmacy Practice and the Law Apr 03 2020 The best-selling Pharmacy Practice and the Law, Eighth Edition reviews

federal law and policy as it applies to and affects the pharmacist's practice.

The opportunity has been taken to develop themes, suggest alternatives and set out additional material providing further coverage as a revision aid.

The Jurisprudence of Lord Hoffmann Dec 12 2020 Lord Leonard Hoffmann remains one of the most important and influential English jurists. Born in South Africa, he came to England as a Rhodes Scholar to study law at the University of Oxford. After graduating from the Bachelor of Civil Law as Vinerian Scholar, he was elected Stowell Civil Law Fellow of University College. There followed an extremely distinguished judicial career, including 14 years as a member of the Judicial Committee of the House of Lords (from 1995 to 2009). In 2009, Lord Hoffmann returned to the Oxford Law Faculty as a Visiting Professor. In this volume, current and past colleagues of Lord Hoffmann from the University of Oxford examine different aspects of his jurisprudence in diverse areas of private and public law. The contributions are testament to the clarity and creativity of his judicial and extra-judicial writings, to his enduring influence and extraordinary intellectual breadth, and to the respect and affection in which he is held.

Jurisprudence Lecture Notes Jun 17 2021 The Cavendish Law Cards cover the broad range of subjects available on the undergraduate law programme, as well as on the CPE/Diploma in Law course. It saved me a lot of studying time." George Varkarakis MD Plastic Surgeon

Pharmacy May 05 2020 The pharmacy of today is vastly different from the neighborhood pharmacy of fifty years ago. No longer do pharmacists fill out a prescription as written without question. Pharmacists in some communities work with patients, the patient's doctors, and insurance companies to manage the patient's disease states. Increasingly, they are the point of contact
