The question is...will you agree with their picks?

The Art of TV Guide Sep 28 2022 Jerry Allen started as Art Director of TV Guide in 1967, and for almost 50 years he engaged the world's greatest illustrators to provide the artwork for the pages of the widest circulated magazine in the world. Unlike entertainment magazines today, the digest-sized magazine relied almost solely on illustration, and in many cases, it helped to support the careers of many of the illustrators. Jerry Allen provides a view behind-the-scenes of a magazine that featured some of America's greatest celebrities, the artist who painted them, and the interesting, highly entertaining, and sometimes outrageous interactions between subject, artist, and art director.

Laidlaw Nov 25 2019 First in "a crime trilogy so searing it will burn forever into your memory. Mclvanney is the original Scottish criminal mastermind" (Christopher Brookmyre, international bestselling author). The Laidlaw novels, a groundbreaking trilogy that changed the face of Scottish fiction, are credited with being the founding books of the Tartan Noir movement that includes authors like Val McDermid, Denise Mina, and Ian Rankin. Says McDermid of William Mclvanney: "Patricia Highsmith had taken us inside the head of killers; Ruth Rendell tentatively explored sexuality; with No Mean City, Alexander McArthur had exposed Glasgow to the world; Raymond Chandler had dressed the darkness in clever words. But nobody had ever smashed those elements together into so accomplished a synthesis." In Laidlaw, the first book of the series, readers meet Jack Laidlaw, a hard-drinking philosopher-detective whose tough exterior cloaks a rich humanity and keen intelligence. Laidlaw's investigation into the murder of a young woman brings him into conflict with Glasgow's hard men, its gangland villains, and the moneyed thugs who control the city. As the gangsters running Glasgow race Laidlaw for the discovery of the young woman's killer, a sense of dangerous betrayal infests the city that only Laidlaw can erase. "From the opening chapter of Laidlaw, I knew I'd never read a crime novel like this." —Val McDermid, international bestselling author "It's doubtful I would be a crime writer without the influence of Mclvanney's Laidlaw." —Ian Rankin, New York Times–bestselling author "Laidlaw is a tough novel, with an exciting ending, and it is superbly written. You should not miss this one." —The New York Times "A classic of the genre." —The Guardian

The Negro Motorist Green Book Jan 28 2020 The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Media Criticism in a Digital Age Jul 22 2019 Media Criticism in a Digital Age introduces readers to a variety of critical approaches to audio and video discourse on radio, television and the Internet. It is intended for those preparing for electronic media careers as well as for anyone seeking to enhance their media literacy. This book takes the unequivocal view that the material heard and seen over digital media is worthy of serious consideration. Media Criticism in a Digital Age applies key aesthetic, sociological, philosophical, psychological, structural and economic principles to arrive at a comprehensive evaluation of programming and advertising content. It offers a rich blend of insights from both industry and academic authorities. These insights range from the observations of Plato and Aristotle to the research that motivates twenty-first century marketing and advertising. Key features of the book are comprised of: multiple video examples including commercials, cartoons and custom graphics to illustrate core critical concepts; chapters reflecting today's media world, including coverage of broadband and social media issues; fifty perceptive

critiques penned by a variety of widely respected media observers and; a supplementary website for professors that provides suggested exercises to accompany each chapter (www.routledge.com/cw/orlik) Media Criticism in a Digital Age equips emerging media professionals as well as perceptive consumers with the evaluative tools to maximize their media understanding and enjoyment.

The Queen Dec 07 2020 This official souvenir publication celebrates the Platinum Jubilee of Queen Elizabeth II, Britain's longest-serving monarch. In February 2022, Her Majesty Queen Elizabeth II will mark seventy years as monarch with a celebration known as the Platinum Jubilee. This official publication honors the Queen's reign with a special selection of photographs captured by professional and amateur photographers alike. These photographs document Her Majesty's early life before she acceded to the throne in 1952, her official role as monarch, her travel at home and abroad in support of the Commonwealth, and her fondness for animals and family life. These pictures also demonstrate the Queen's continued efforts to give thanks to those who have served the monarchy and their communities, from official garden parties to the Order of the Garter. These photographs are accompanied by resonant quotations from speeches given by the Queen over the years, including her wartime Children's Hour radio broadcast given at the age of 14, her first televised Christmas Speech in 1957, and her speech welcoming President Obama and the First Lady during their State Visit in 2011. With a varied selection of photographs from Her Majesty's reign, The Queen takes readers on a photographic journey of a remarkable life of duty and service.

How To Watch Television Jan 08 2021 Examines social and cultural phenomena through the lens of different television shows We all have opinions about the television shows we watch, but television criticism is about much more than simply evaluating the merits of a particular show and deeming it 'good' or 'bad.' Rather, criticism uses the close examination of a television program to explore that program's cultural significance, creative strategies, and its place in a broader social context. How to Watch Television brings together forty original essays from today's leading scholars on television culture, writing about the programs they care (and think) the most about. Each essay focuses on a particular television show, demonstrating one way to read the program and, through it, our media culture. The essays model how to practice media criticism in accessible language, providing critical insights through analysis—suggesting a way of looking at TV that students and interested viewers might emulate. The contributors discuss a wide range of television programs past and present, covering many formats and genres, spanning fiction and non-fiction, broadcast and cable, providing a broad representation of the programs that are likely to be covered in a media studies course. While the book primarily focuses on American television, important programs with international origins and transnational circulation are also covered. Addressing television series from the medium's earliest days to contemporary online transformations of television, How to Watch Television is designed to engender classroom discussion among television critics of all backgrounds.

Superhoe Dec 27 2019 'I'm a singer-slash-rapper. I'm not the sort of girl that will be working in fucking Wetherspoons for eight pounds an hour.' Sasha Clayton is twenty-four and living with her mum, stepdad, and irritating little sister, in Plaistow, East London. She's gone from being the most popular girl at school, to spending most of her time on her own in her bedroom scrolling through social media. She may not have a job or a flat, and, admittedly her boyfriend's not answering her calls - but she's got talent and a dream. When she releases her first EP everything's going to change. Nicôle Lecky's play Superhoe was first staged in the Jerwood Theatre Upstairs at the Royal Court Theatre, London, in January 2019, performed by its author and directed by Jade Lewis. It was the first collaboration between Talawa Theatre Company and the Royal Court.

TV Guide Film and Video Companion Dec 19 2021 At a whopping 1,600 pages, with some 35,000 of the greatest movies ever made, this encyclopedia by the editors of TV Guide's award winning, world-renowned Cinebooks Database is simply indispensable. Die-hard movie buffs and the merely curious will both be thrilled at how easily they'll find the answer to any question they have: everything is cross-referenced, including indexes to the actors, the directors, and the films themselves (also arranged by star ranking). Independent and foreign films appear along with Hollywood favorites, and all the movies receive far more in-depth reviews than in any other guide to cinema. Each generous entry includes complete cast listing, detailed plot synopses, exhaustive production credits, musical score information, lists of Oscar(TM) nominees and winners, and much more. Millions of fans of TV Guide, the world's most widely read weekly publication with 30 million loyal readers, will want to own this!
