Red Hot Root Words Book 1 Sep 16 2021 Help students improve their mastery of the English language and acquire the keys for understanding thousands of words by studying Greek and Latin word parts (prefixes, root words, and suffixes). This is one of the most complete, usable presentations of vocabulary development using word parts you will find. A knowledge of word parts gives students a head start on decoding words in reading and testing situations. This is the first book in the two-book series. Each of the well-developed lessons in this text includes: one to three word parts along with meanings and sample words, five vocabulary words that use the prefixes or root words, definitions and sample sentences for each of the five words, a practice exercise that lets students apply knowledge of the words and their meanings, and a one-page review worksheet for one or two lessons that presents more unique opportunities to work with the prefixes and root words and to see how they are combined with suffixes. In addition to the student pages, the teacher's information includes: an extensive listing of the most common prefixes, root words, and suffixes; their meanings and sample words; additional words for each lesson; and lesson ideas to supplement the word being studied. For older students, use "Red Hot Root Words, Book 2." Grades 3-5

11 Plus Vocabulary from Classical Roots with Prefixes/Suffixes Mar 10 2021 Learn Hundreds of 11+ Vocabulary words Quickly with roots! *Learn important Greek and Latin roots and vocabulary words derived from these. *Get to really know the words, acquire and internalise vocabulary for use and not to simply memorise a word list. *Consolidate your learning with the help of varied and interesting exercises. You will learn not just new vocabulary words, but will also; -Know the dictionary definition (denotation) and associations of the word (connotation). -Understand the chain of reasoning between the classical root(s) and modern English usage. -Know how to spell and pronounce the words that originate from these roots. -Know the part of speech, e.g. noun, verb or adjective. -Know how to use the word correctly in a sentence. -Know which words it does, or does not collocate with. Organisation of the Book *This book contains ten units each comprising two lessons, A and B. These focus on roots used in the expression of core concepts and general functions in English. *It also includes answers to exercises and a word list. *Unlike many other vocabulary books, roots and derived words are not chosen at random. Each unit, and each lesson has a topic. These should help you remember the new words and use them in context. *Each root or group of related roots has a separate page. *There are 5 target words per page for each root or group of related roots. *Each lesson ends with points to note about the usage of roots. *Each unit concludes with 3 exercises designed to practise the vocabulary from both lessons and the points noted. *There are consolidation activities after every 5 units. *Where possible target words have been recycled in definitions and examples in subsequent units. Words so recycled are shown in bold. Use the word list in Section C to find the original reference.
