Eventually, you will completely discover a further experience and attainment by spending more cash. nevertheless when? reach you take on that you require to get those all needs with having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will guide you to comprehend even more going on for the globe, experience, some places, afterward history, amusement, and a lot more?

It is your categorically own epoch to con reviewing habit. in the course of guides you could enjoy now is **Disasterology 101 Nook Taylor V Donovan** below.

Heavy Feb 25 2022 Being dead doesn't mean resting in peace. Bill thought the wait was the hardest part – until he's thrown together with someone he hates more than anything in eternity. For fans of Preacher and The Punisher! Paradise is lost and Heaven's gotta wait... Bill may be dead, but he's got a job to do. Welcome to the Big Wait, where folks who don't quite make the cut go to work off their debt. Everyone in the Wait's got a job. Bill is a Heavy, whose job is policing the multiverse, making sure bad eggs get what's coming to them. He's on track to earn his Climb and reunite with the woman he loves...until he meets his new partner: the worst dude of all time. Heavy is The Punisher for neurotics; Inception for the impatient; Preacher for...well, it's a lot like Preacher. Max Bemis (Moon Knight, Centipede, X-Men: Worst X-Man Ever) and Eryk Donovan (Mematic, Ghost of Ohio) bring you a story about the existential purpose of dumb boys with big guns.

Trust Me Mar 29 2022 Raine Taylor has one goal - justice for her murdered sister. She knows Genie's husband strangled her and left her in an alley - Peter had been threatening to kill his wife for years. The police said there was no proof Peter Northrup killed Genie. So it was up to Raine to make him pay. When Detective Connor Donovan answers a call about a trespasser outside Northrup's house, he finds a woman running down the street. When he tries to stop her, he's left holding her hoodie as she strikes out like a ninja then vanishes like smoke. Connor quickly realizes Raine is his mysterious trespasser. Now he has to figure out why she was outside Northrup's house at three A.M. Raine isn't his usual criminal - she's a schoolteacher who coaches a taekwon-do team of under-privileged girls. And he's wildly attracted to her. Raine needs to stay away from Connor. She has a plan to deal with Northrup, and she can't get involved with a cop. But like two magnets drawing together, she can't resist him. Can Connor help her find justice for Genie? Or will her sister's killer claim another victim before they can stop him?

Disasterology 101 Nov 05 2022 Kevin Morrison had it all. A house he worked hard for, a loving wife, and three beautiful children. But it wasn't until his marriage ended that he realized what the void he'd felt almost all his life meant. Coming out as a gay man at thirty-six is not an easy feat, but he is determined to be true to his heart. Meeting a man who shares his values, and is good with his children would be a bonus, but when the guy arrives in a uniquely wrapped package, and has very specific handling instructions, Kevin needs to decide if he's up for that kind of love. Obsessed with order and symmetry, and a paralyzing fear of germs, Cedric Haughton-Disley has lived with isolation and loneliness as long as he can remember. Desperate to be normal, he makes some much-needed changes in his life. If he can commit to his treatment, he might very well be able to procure some quality of life... even if that's all he can get, as finding love and having a relationship are only possible in Cedric's wildest dreams. But when a chance encounter leaves Cedric wishing for more, he decides to take a leap of faith, and pursue the guy he wants. Together the two men make an unlikely match. Cedric needs organization, and Kevin represents chaos. In order to stay together they both need to compromise, but will they be able to deal with Cedric's issues and the potential disaster, or let it break them apart?

[Almost Like Being in Love](#) Feb 13 2021 After witnessing a shooting and fearful for her life, Pepper Prescott hides out in the mountains where she finds her old lover, Dan Graham, a former Special Forces soldier.

Between the Sheets Jan 03 2020 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY RT BOOK REVIEWS Sure to thrill readers of Susan Mallery and Rachel Gibson, Molly O'Keefe's sizzling series cranks up the tension as a bad boy rides into town on his motorcycle—and teaches the girl next door to lose control when it comes to desire. After years of running, Wyatt Svenson has now parked himself in Bishop, Arkansas, trying to do the right thing and parent a son he didn't even know he had until recently. Over six feet tall and packed with muscles and power, Ty likes to get his hands dirty, fixing his motorcycle at night and keeping his mind away from the mistakes he's made. Then his pretty neighbor shows up on his driveway, doesn't bother to introduce herself, and complains about the noise. First impression? She should loosen up. Funny that she turns out to be his son's elementary school art teacher—and the only one willing to help his troubled boy. Ty needs her. In more ways than one. Though Shelby Monroe is safe in her structured life, she is drawn to Ty's bad-boy edge and rugged sexuality. What if she just lets it all go: her worries about her mother, her fear of heartbreak, and her tight self control? What if she grabs Ty and takes a ride on the wild side? “What if” becomes reality—intense, exhilarating . . . and addictive. But Ty wants more than a secret affair. He wants it all with Shelby. But will she take a chance and open her heart? Ty is determined to convince Shelby to take the biggest risk of her life: on him. Praise for *Between the Sheets* “Phenomenal . . . The story is deep, complex, and rich, with emotional tones of hope, loss, regret, pain, and so many flavors of love.”—Publishers Weekly (starred review) “The characters are genuine, their stories are authentic and there is a rawness of emotion that is completely unexpected. The chemistry Ty and Shelby share is electric and their sex scenes are sizzling on a whole new level. This is a fantastic read that surprises and thoroughly delights.”—RT Book Reviews (4-1/2 stars, Top Pick) “Dark, edgy, and emotionally turbulent, *Between the Sheets* is a . . . modern-day romance that speaks of second chances, love, heartbreak, redemption, and hope.”—Smexy Books “Once again, Molly O'Keefe explodes the traditional trope and creates characters that breathe. . . . *Between the Sheets* did what great books should do and let me live beside these people of Bishop and come to care about them. A lot.”—The Best Reviews “An intense, heartbreaking and poignant novel that is also insanely hot and incredibly passionate . . . another powerful novel of love and healing by Molly O'Keefe that old and new fans of the Boys of Bishop series do not want to miss.”—Book Reviews & More by Kathy

Malibu Rising May 07 2020 NEW YORK TIMES BESTSELLER • Read with Jenna Book Club Pick as Featured on Today • From the author of *Daisy Jones & The Six* and *The Seven Husbands of Evelyn Hugo* . . . ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, *Time*, *Marie Claire*, *PopSugar*, *Parade*, *Teen Vogue*, *Self*, *She Reads* • “Irresistible . . . High drama at the beach, starring four sexy, surfing siblings and their deadbeat, famous-crooner dad.”—*People* Four famous siblings throw an epic party to celebrate the end of the summer. But over the course of twenty-four hours, the family drama that ensues will change their lives forever. *Malibu*: August 1983. It's the day of Nina Riva's annual end-of-summer party, and anticipation is at a fever pitch. Everyone wants to be around the famous Rivas: Nina, the talented surfer and supermodel; brothers Jay and Hud, one a championship surfer, the other a renowned photographer; and their adored baby sister, Kit. Together the siblings are a source of fascination in Malibu and the world over—especially as the offspring of the legendary singer Mick Riva. The only person not looking forward to the party of the year is Nina herself, who never wanted to be the center of attention, and who has also just been very publicly abandoned by her pro tennis player husband. Oh, and maybe Hud—because it is long past time for him to confess something to the brother from whom he's been inseparable since birth. Jay, on the other hand, is counting the minutes until nightfall, when the girl he can't stop thinking about promised she'll be there. And Kit has a couple secrets of her own—including a guest she invited without consulting anyone. By midnight the party will be completely out of control. By morning, the Riva mansion will have gone up in flames. But before that first spark in the early hours before dawn, the alcohol will flow, the music will play, and the loves and secrets that shaped this family's generations will all come rising to the surface. *Malibu Rising* is a story about one unforgettable night in the life of a family: the night they each have to choose what they will keep from the people who made them . . . and what they will leave behind.

The Girl Who Knew Too Much Jul 21 2021 Amanda Quick, the bestselling author of 'Til Death Do Us Part, transports readers to 1930s California, where glamour and seduction spawn a multitude of sins . . . When Hollywood moguls and stars want privacy, they head to an idyllic small town on the coast, where the exclusive Burning Cove Hotel caters to their every need. It's where reporter Irene Glasson finds herself staring down at a beautiful actress at the bottom of a pool . . . The dead woman had a red-hot secret about up-and-coming leading man Nick Tremayne, a scoop that Irene couldn't resist - especially since she's just a rookie at a third-rate gossip rag. But now Irene's investigation into the drowning threatens to tear down the wall of illusion that is so

deftly built around the famous actor, and there are powerful men willing to do anything to protect their investment. Seeking the truth, Irene finds herself drawn to a master of deception. Oliver Ward was once a world-famous magician - until he was mysteriously injured during his last performance. Now the owner of the Burning Cove Hotel, he can't let scandal threaten his livelihood, even if it means trusting Irene, a woman who seems to have appeared in Los Angeles out of nowhere four months ago . . . With Oliver's help, Irene soon learns that the glamorous paradise of Burning Cove hides dark and dangerous secrets. And that the past - always just out of sight - could drag them both under . . .

Postmodern Counternarratives Jul 01 2022 This book provides a wide-ranging discussion of realism, postmodernism, literary theory and popular fiction before focusing on the careers of four prominent novelists. Despite wildly contrasting ambitions and agendas, all four grow progressively more sympathetic to the expectations of a mainstream literary audience, noting the increasingly neglected yet archetypal need for strong explanatory narrative even while remaining wary of its limitations, presumptions, and potential abuses. Exploring novels that manage to bridge the gap between accessible storytelling and literary theory, this book shows how contemporary authors reconcile values of postmodern literary experimentation and traditional realism.

Jonathan Livingston Seagull Apr 29 2022 "Includes the rediscovered part four"--Cover.

Constellations Oct 31 2019 *Shortlisted for the Rathbones Folio Prize 2020* *Winner of non-fiction book of the year at the Irish Book Awards* An extraordinarily intimate book of essays that chart the experiences that have made Sinéad Gleeson the woman and the writer she is today, for readers of *The Last Act of Love* and *I Am, I Am, I Am*. 'Utterly magnificent. Raw, thought-provoking and galvanising; this is a book every woman should read.' – Eimear McBride, author of *A Girl Is a Half-formed Thing*. I have come to think of all the metal in my body as artificial stars, glistening beneath the skin, a constellation of old and new metal. A map, a tracing of connections and a guide to looking at things from different angles. How do you tell the story of a life in a body, as it goes through sickness, health, motherhood? How do you tell that story when you are not just a woman but a woman in Ireland? In the powerful and daring essays in *Constellations* Sinéad Gleeson does that very thing. All of life is within these pages, from birth to first love, pregnancy to motherhood, terrifying sickness, old age and loss to death itself. Throughout this wide-ranging collection she also turns her restless eye outwards delving into work, art and our very ways of seeing. In the tradition of some of our finest life writers, and yet still in her own spirited, generous voice, Sinéad takes us on a journey that is both uniquely personal and yet universal in its resonance. Here is the fierce joy and pain of being alive. 'Breathtaking and sublime.' – Nina Stibbe 'Absolutely extraordinary and life-enhancing.' – Daisy Buchanan, author of *How to be Grown-up*.

Building Better Schools with Evidence-based Policy Oct 24 2021 Building Better Schools with Evidence-based Policy: Adaptable Policy for Teachers and School Leaders provides an extensive set of free-to-use policies for building better schools. The policies included in this book cover a broad range of popular topics for schools that are not readily accessible, and each policy is built on theory, driven by research, and created by experts. Each policy is based on substantial evidence, and this is ensured through the inclusion of contributors who are active and highly reputable in their respective field. Most schools are obliged to write and maintain policy, and not all school leaders have the required skills, time, or expertise to do this effectively. Building Better Schools with Evidence-based Policy: Adaptable Policy for Teachers and School Leaders is a time-saving resource for schools. It aims to address the reported research-to-practice gap in education by delivering accessible evidence-based practice in a ready-to-use adaptable format. All policies within this book are designed to be adapted and tailored to the unique diversity and needs of each school as reflected by the context and the people that make up the school community. This book is relevant to every person who works in a school – worldwide. Users of this book can rest assured that each policy has been carefully formulated from the current understandings of best practice. This is a practical innovation and an example of how schools can use research evidence in their day-to-day practices. "The Open Access version of this book, available at www.taylorfrancis.com, has been made available under a Creative Commons Attribution-Non-Commercial-No Derivatives 4.0 license."

The Art of Teaching Science Aug 02 2022 A fully revised edition of this thorough introduction to the theory and practice of science teaching in middle and secondary schools Science teaching is an art that requires a unique combination of knowledge and skills to engage students and foster their understanding. This book is a thorough introduction and embraces the full spectrum of contemporary reforms in education. It presents science teaching as a dynamic, collaborative activity and highlights recent developments in research into excellence in science teaching. Emphasizing pedagogy, curriculum, and assessment, this book is designed for educators preparing to teach science at middle and high school levels. Fully revised and updated, this second edition includes new chapters which address the use of ICT in the science classroom and suggest innovative ways of developing an engaging, thinking science classroom. Throughout the book, the authors reflect a student-centered approach to science teaching as advocated in reform curriculum documents throughout the world. Written by leading science educators and incorporating classroom examples and activities, this book outlines the main issues science teachers face today.

The Escape Jul 09 2020 The Sunday Times bestseller returns with her most thrilling book yet, An unputdownable read for fans of *Into the Water* and *The Girlfriend*.

Defending Donovan Dec 26 2021 He'll do anything to earn her v-card... and her heart. Here's the thing about Drake Donovan. He's a hotshot hockey player with a secret the size of his stick, a real monster of a problem. And I'm the only one who can help him. But as we grow closer, I realize there's more to Drake than good looks and a big stick. If he wants to be the one to punch my v-card, he has to work for it. There's only one condition. He has to make me fall in love with him first. Drake never backs down from a challenge. He's more determined than ever to win my heart. And if I don't guard it, I could lose a lot more than my cherry... Defending Donovan is a full-length standalone novel, complete with hot hockey players, plenty of laughs, and a HEA. Scroll up to get your copy today!

The Routledge Handbook of Study Abroad Research and Practice Jun 07 2020 The Routledge Handbook of Study Abroad Research and Practice is an authoritative overview of study abroad and immersive context research specifically situated within applied linguistics and Second Language Acquisition (SLA) for graduate students and researchers in these fields. Featuring contributions from established scholars from around the world, this volume provides in-depth coverage of the theoretical approaches and methodologies used in study abroad and applied linguistics research, and examines their practical implications on program implementation. The Handbook is organized around core areas of research and practice: language development and personal growth; study abroad settings; individual differences of learners; and applications concerning the preparation of students, teachers, and administrators for study abroad, the role of study abroad in foreign language curricula, and future directions. This handbook is the ideal resource for graduate students, researchers, and administrators interested in learning more about linguistic and personal development during study abroad.

The Inner Coast: Essays May 19 2021 Prize-winning essays on our changing place in the natural world by the best-selling author of *Moby-Duck*. Writing in the grand American tradition of Annie Dillard and Barry Lopez, Donovan Hohn is an "adventurous, inquisitive, and brightly illuminating writer" (New York Times). Since the publication of *Moby-Duck* a decade ago, Hohn has been widely hailed for his prize-winning essays on the borderlands between the natural and the human. The Inner Coast collects ten of his best, many of them originally published in such magazines as the New York Times Magazine and Harper's, which feature his physical, historical, and emotional journeys through the American landscape. By turns meditative and comic, adventurous and metaphysical, Hohn writes about the appeal of old tools, the dance between ecology and engineering, the lost art of ice canoeing, and Americans' complicated love/hate relationship with Thoreau. The Inner Coast marks the return of one of our finest young writers and a stylish exploration of what Guy Davenport called "the geography of the imagination."

Maternity Leave Aug 22 2021 What does it mean to be a successful working parent? And how do working parents cope in the United States, the only developed nation with no paid parental leave requirement? Despite some positive advancement in the voluntary adoption of paid parental leave, many organizations over the past 25 years have instead decreased paid leave benefits offered to employees in the United States, choosing instead to let unpaid leave under the Family Medical Leave Act (FMLA) serve in its place. This regression in practice is perhaps the greatest unintended consequence of FMLA and surely was not the intent of Congress. *Maternity Leave: Policy and Practice, Second Edition* approaches parental leave from a variety of perspectives: legal, political, social, institutional, organizational, and, most importantly, from the personal perspectives of the women and men interviewed expressly for the book. This second edition offers two new chapters: the first puts the issue of maternity leave within the context of work-life balance issues, and the second explores case studies from states, cities, and private organizations. Incorporating new census data, related reports, and academic studies, authors Victoria Gordon and Beth M. Rauhaus utilize relevant and cutting-edge research in their exploration of parental leave, and they enrich this research with the individual stories of ordinary working parents as well as those who choose not to have children. Assuming no prior specialized knowledge, this book can be assigned on a variety of undergraduate and graduate courses in politics, public policy, public administration, gender studies, and human resource management, and will equally be of interest to parents, policy makers, and C-suite managers.

Access to International Justice Jun 19 2021 There is much debate about the scope of international law, its compatibility with individual state practice, its enforceability and the recent and limited degree to which it is institutionalized. This collection of essays seeks to address the issue of access to justice, the related element of domestic rule of law which does not yet figure significantly in debates about international rule of law. Even in cases in which laws are passed, institutions are present and key players are ethically committed to the rule of law, those whom the laws are intended to protect may be unable to secure protection. This is an issue in most domestic jurisdictions but also one which poses severe problems for international justice worldwide. The book will be of interest to academics and practitioners of international law, environmental law, transitional justice, international development, human rights, ethics, international relations and political theory.

The Dream Thieves Sep 22 2021 This is the second book in a brand new series from bestselling author, Maggie Stiefvater. Fans of *SHIVER* (9781407115009), *LINGER* (9781407121086) and *FOREVER* (9781407121116) will love this new quartet!

Donovan Feb 02 2020 He needs more than a killer glove save to defend his heart... No one knows the real Carter Donovan. They only see the goalie with a chiseled body and the fake smiles I reserve for the camera. I hide behind my past and bury my story in the ink on my skin. But my secrets are causing my game to fall apart. Not until I meet a famous romance author who likes to play games of her own do I consider sharing a part of myself I've kept hidden from the world. Except she wants to know my secrets and the meaning behind my tattoos. All I want is sex. So, she tortures me with her dirty words and pictures, thrives on the steamy conversations that give me a never-ending case of blue balls. But the more I get to know her I realize she could be the light to my darkness. As long as she can accept me the way I am.

The Way of Men Apr 05 2020 What is masculinity? Ask ten men and you'll get ten vague, conflicting answers. Unlike any book of its kind, *The Way of Men* offers a simple, straightforward answer-without getting bogged down in religion, morality, or

politics. It's a guide for understanding who men have been and the challenges men face today. The Way of Men captures the silent, stifling rage of men everywhere who find themselves at odds with the over-regulated, over-civilized, politically correct modern world. If you've ever closed your eyes and wished for one day as a lion, this book is for you.

A Case for Christmas Dec 02 2019 He loves no-one and never will. Lord Christmas Gale is a genius and a misanthrope, and, quite to his disgust, adored by all of Society for his capacity to solve mysteries. When a man approaches him seeking help in locating a lost dog, Gale rebuffs him. But what begins with a missing dog ends in murder and intrigue—two of Gale's favourite things, if it weren't for the orphan that comes attached to them. Oh, and Benjamin Chant. He has sworn to never love again. The Honourable Mr. Benjamin Chant isn't sure how he got swept up in Gale's mad investigation, but there's something intriguing about the man—a vulnerability that most of the world doesn't notice, but which captures Chant's interest, and his sympathy, from their first meeting. After a disastrous love affair in the past, Chant has sworn to never give his heart away again. Especially to a man who does not want it. But it isn't just their hearts at stake. When their investigation takes a dangerous turn and their lives are threatened, both Gale and Chant are forced into the realisation that perhaps two imperfect men might fit perfectly together—that is, if they can outwit the killer who is intent on seeing them both dead. A Case for Christmas is the second book in the Lords of Bucknall Club series, where the Regency meets m/m romance. The Lords of Bucknall Club can be read in any order.

The War We Never Fought Mar 17 2021 Again and again British politicians, commentators and celebrities intone that 'The War on Drugs has failed'. They then say that this is an argument for abandoning all attempts to reduce drug use through the criminal law. Peter Hitchens shows that in Britain there has been no serious 'war on drugs' since 1971, when a Tory government adopted a Labour plan to implement the revolutionary Wootton report. This gave cannabis, the most widely used illegal substance, a special legal status as a supposedly 'soft' drug (in fact, Hitchens argues, it is at least as dangerous as heroin and cocaine because of the threat it poses to mental health). It began a progressive reduction of penalties for possession, and effectively disarmed the police. This process still continues, behind a screen of falsely 'tough' rhetoric from politicians. Far from there being a 'war on drugs', there has been a covert surrender to drugs, concealed behind an official obeisance to international treaty obligations. To all intents and purposes, cannabis is legal in Britain, and other major drugs are not far behind. In *The War We Never Fought*, Hitchens uncovers the secret history of the government's true attitude, and the increasing recruitment of the police and courts to covert decriminalisation initiatives, and contrasts it with the rhetoric. Whatever and whoever is to blame for the undoubted mess of Britain's drug policy, it is not 'prohibition' or a 'war on drugs', for neither exists.

Outland Sep 30 2019 When the Yellowstone supervolcano erupts, it's up to six college students and their experimental physics project to prevent the end of civilization. When an experiment to study quantum uncertainty goes spectacularly wrong, physics student Bill Rustad and his friends find that they have accidentally created an inter-dimensional portal. They connect to Outland—an alternate Earth with identical geology, but where humans never evolved. The group races to establish control of the portal before the government, the military, or evildoers can take it away. Then everything changes when the Yellowstone supervolcano erupts in an explosion large enough to destroy civilization and kill half the planet. The team has just hours to get as many people as possible across to Outland before a lethal cloud of ash overwhelms them. Nothing has prepared the refugees for what they find—a world of few resources and unprecedented dangers. Somehow, they must learn to survive, because Outland may be not just a safe haven—it could be their new home. This 2019 edition has been substantially revised by the author.

Yankees to Fighting Irish Nov 12 2020 A fascinating and insightful look at the legends, facts, and fiction behind your favorite sports teams' names.

Between Ghosts Jan 15 2021 WINNER of the 2017 EPIC Award for Contemporary Romance In 2003, journalist Connor Regan marched through London to add his voice to a million others, decrying the imminent invasion of Iraq. Eight months later, his brother, James, was killed in action in Mosul. Three years on, Connor finds himself bound for Iraq to embed with an elite SAS team. He sets his boots on the ground looking for closure and solace—anything to ease the pain of his brother's death. Instead he finds Sergeant Nathan Thompson. Nat Thompson is a veteran commander, hardened by years of combat and haunted by the loss of his best friend. Being lumbered with a civilian is a hassle Nat doesn't need, and he vows to do nothing more than keep the hapless hack from harm's way. But Connor proves far from hapless, and too compelling to ignore for long. He walks straight through the steel wall Nat's built around his heart, and when their mission puts him in mortal danger, Nat must lay old ghosts to rest and fight to the death for the only man he's ever truly loved.

Asking For It Sep 10 2020 'A soul-shattering novel that will leave your emotions raw. This story will haunt me forever. Everyone should read it' Guardian In a small town where everyone knows everyone, Emma O'Donovan is different. She is the special one - beautiful, popular, powerful. And she works hard to keep it that way. Until that night . . . Now, she's an embarrassment. Now, she's just a slut. Now, she is nothing. And those pictures - those pictures that everyone has seen - mean she can never forget. For fans of Caitlin Moran, Marian Keyes and Jodi Picoult. BOOK OF THE YEAR AT THE IRISH BOOK AWARDS 2015. The award-winning, bestselling novel about the life-shattering impact of sexual assault, rape and how victims are treated.

Introduction to Coaching Psychology Oct 12 2020 This collection featuring chapters by leading international practitioners will offer an introduction to coaching psychology for those new to it, including students, trainees, psychologists, and coaches. Introduction to Coaching Psychology covers key topics, including the background and development of coaching psychology, the coach-coachee relationship, coaching psychology approaches and models, and themes such as assessment, contracting, and the setup in coaching psychology practice. Applications in coaching psychology are considered, including a look at particular coaching psychology specialisms and interventions, as well as discussions about working in organisations, working with young people, and life and personal coaching. Professional practice issues, such as boundaries and best practice, and coaching and diversity, are also explored. Furthermore, a review of coaching psychology research is presented. The book also offers a rich collection of case studies to illustrate the practice of coaching psychology in a real-world setting and concludes with a consideration of the future of the field. This timely and accessible book will be essential reading for anyone new to the field, as well as coaches, psychologists, and counsellors interested in the theory, research, and practice of coaching psychology.

The Menendez Murders Jul 29 2019 Discover the definitive book on the Menendez case—and the primary source material for NBC's Law and Order True Crime: The Menendez Murders. A successful entertainment executive making \$2 million a year. His former beauty queen wife. Their two sons on the fast track to success. But it was all a façade. The Menendez saga has captivated the American public since 1989. The killing of José and Kitty Menendez on a quiet Sunday evening in Beverly Hills didn't make the cover of People magazine until the arrest of their sons seven months later, and the case developed an intense cult following. When the first Menendez trial began in July 1993, the public was convinced that Lyle and Erik were a pair of greedy rich kids who had killed loving, devoted parents. But the real story remained buried beneath years of dark secrets. Until now. Journalist Robert Rand, who originally reported on the case for the Miami Herald and Playboy, has followed the Menendez murders from the beginning and has continued investigating and interviewing key sources for 28 years. Rand is the only reporter who covered the original investigation as well as both trials. With unparalleled access to the Menendez family and their history, including interviews with both brothers before and after their arrest, Rand has uncovered extraordinary details that certainly would have changed the fate of the brothers' first-degree murder conviction and sentencing to life without parole. In *The Menendez Murders: The Shocking Untold Story of the Menendez Family and the Killings That Stunned the Nation*, Rand shares these intimate, never-before-revealed findings, including a deeply disturbing history of child abuse and sexual molestation in the Menendez family going back generations, and the shocking admission O.J. Simpson made to one of the Menendez brothers when they were inmates at the L.A. County Men's Central Jail.

Wrong Way Home Aug 10 2020 -- ONE WRONG TURN. ONE RIGHT MAN. -- Colin. Rule-follower. Future doctor. Witness to murder. Captive. Taron. Survivalist. Mute. Murderer. Captor. Like every other weekend, Colin is on his way home from university, but he's taunted by the notion that he never takes risks in life and always follows the beaten path. On impulse, he decides to take a different route. Just this one time. What he doesn't realize is that it's the last time he has a choice. He ends up taking a detour into the darkest pit of horror, abducted by a silent, imposing man with a blood-stained axe. But what seems like his worst nightmare might just prove to be a path to the kind of freedom Colin never knew existed. Taron has lived alone for years. His land, his rules. He'd given up on company long ago. After all, attachment is a liability. He deals with his problems on his own, but the night he needs to dispose of an enemy, he ends up with a witness to his crime. The last thing Taron needs is a nuisance of a captive. Colin doesn't deserve death for setting foot on Taron's land, but keeping him isn't optimal either. It's only when he finds out the city boy is gay that an altogether different option arises. One that isn't right, yet tempts him every time Colin's pretty eyes glare at him from the cage. *When Taron looped the heavy metal collar around the slender neck and closed the padlock, his body throbbed with the excitement of knowing he owned this boy. Was it wrong? Yes, yes it was. Was it so, so good? Definitely." Themes: prepping, alternative lifestyles, disability, crime, loneliness, enemies to lovers, forced proximity, fish out of water, opposites attract, abduction, Stockholm syndrome, family issues Genre: Dark, thriller M/M romance Heat level: Scorching hot, emotional, explicit scenes Length: ~ 70,000 words (Standalone) This book is part of CRIMINAL DELIGHTS. Each novel can be read as a standalone and contains a dark M/M romance. Warning: These books are for adult readers who enjoy stories where lines between right and wrong get blurry. High heat, twisted and tantalizing, these are not for the fainthearted.

Six Degrees of Lust Oct 04 2022 New York City FBI team leader Samuel Shaughnessy lives for his immediate family and his job. After a marriage gone wrong, he has stuck to a firm rule when it comes to relationships: he doesn't have them. Sexually active and emotionally unavailable keeps him satisfied, especially now that he is in hot pursuit of a serial killer targeting gay men. Machlan O'Bannon manages a successful sports bar in Houston, and after years of waiting, he's ready to stand up and be the man he always wanted to be: out, proud and drama-free. His politically-aligned family wants to keep him locked in the closet, but Mac just wants to be true to himself and live his own life. One man is as high strung as the other is laid back. A chance meeting brings them together, and one night of passion ignites a fire neither can fight. Their lives are not only miles apart, but as different as day and night. They don't want to get involved, but they might not be able to keep apart.

Immunisation against infectious diseases Apr 17 2021 This is the third edition of this publication which contains the latest information on vaccines and vaccination procedures for all the vaccine preventable infectious diseases that may occur in the UK or in travellers going outside of the UK, particularly those immunisations that comprise the routine immunisation programme for all children from birth to adolescence. It is divided into two sections: the first section covers principles, practices and procedures, including issues of consent, contraindications, storage, distribution and disposal of vaccines, surveillance and monitoring, and the Vaccine Damage Payment Scheme; the second section covers the range of different diseases and vaccines.

Mad Or Bad?: A Critical Approach to Counselling and Forensic Psychology Aug 29 2019 A cutting-edge text that provides a comprehensive introduction to mental health problems and criminal behaviour, this book explores the link between mental health and criminality and considers the most common and effective therapeutic approaches for working with offenders and victims of crime. · Part 1 explores the predominant tensions between forensic and therapeutic agendas; · Part 2 considers how criminal and ‘insane’ identities and careers may be considered gendered, classed, culturally and age-dependent experiences, and be related to power and oppression; · Part 3 examines issues around sex and sexuality in forensic and therapeutic settings; · Part 4 introduces a range of therapeutic approaches for working with offenders and victims of crime; · Part 5 covers forensic and therapeutic practices, including programmes for the prevention of both mental health issues and offending. Edited by an expert team from the Open University and written by a broad range of contributors, this book draws on a wealth of experience in this popular subject area. It will be a key text for students of forensic psychology, counselling and psychotherapy, and for health and social care professionals working in therapeutic and forensic settings.

The Psychology of Doping in Sport Jan 27 2022 This is the first book to draw together cutting-edge research on the psychological processes underlying doping use in sport and exercise, thereby filling an important gap in our understanding of this centrally important issue in contemporary sport. Covering diverse areas of psychology such as social cognition, automatic and controlled processes, moral decision-making, and societal and contextual influence on behaviour, the book also explores methodological considerations surrounding doping assessment in psychological research as well as future directions for evidence-based preventive interventions and anti-doping education. Written by a team of leading international researchers from countries including the US, Canada, Australia, the UK, Greece, Germany, Italy, Denmark and Ireland, the book integrates empirical findings with theoretical guidance for future psychological research on doping, and illuminates the challenges, needs and priorities in contemporary doping prevention. It is important reading for advanced students and researchers in sport and exercise science, sport management and sport policy, and will open up new perspectives for professional coaches, sports administrators, policy makers and sport medicine specialists looking to better understand the doping behaviours of athletes in sport.

At Wave's End Nov 24 2021 After a childhood as unpredictable as the flip of a coin, Faith Sterling has finally found her comfort zone in the kitchen of an upscale Manhattan restaurant. A workaholic chef, at least there she's in control. So when her free-spirited and often-gullible mother, Connie, calls to announce that she's won a bed-and-breakfast on the Jersey Shore, Faith's patience boils over. Convinced the contest is a scam, she rushes to Wave's End to stop Connie from trading her steady job for an uncertain future. When a hurricane ravages the coast, Faith is torn between supporting the shore rescue and bailing out her beleaguered boss. But the storm dredges up deceptions and emotional debris that threaten to destroy the inn's future and her fragile bonds with her mother. As the women struggle to salvage both the inn and their relationship, Faith begins to see herself and Connie in a new light—and to realize that some moments are better left to chance.

My Antonia May 31 2022 ‘My Antonia’ was originally published in 1918 and was praised as a masterpiece of Willa Cather. It evokes the life of Willa Cather's childhood, and commemorates the spirit and courage of immigrant pioneers in America. One of Cather's earliest novels, it is the story of Antonia Shimerda, who arrives on the Nebraska frontier as part of a family of Bohemian emigrants. Her story is told through the eyes of Jim Burden, a neighbor who will befriend Antonia, teach her English, and follow the remarkable story of her life. Working in the fields of waving grass and tall corn that dot the Great Plains, Antonia forges the durable spirit that will carry her through the challenges she faces when she moves to the city. But only when she returns to the prairie does she recover her strength and regain a sense of purpose in life. In the quiet, probing depth of Willa Cather's art, Antonia's story becomes a mobbing elegy to those whose persistence and strength helped build the American frontier.

Domestic Violence and Sexuality Dec 14 2020 This book provides the first detailed discussion of domestic violence and abuse in same-sex relationships, offering a unique comparison between same-sex and heterosexual contexts. Catherine Donovan and Marianne Hester examine how experiences of domestic violence and abuse are shaped by gender, sexuality, and age, seeking to understand what factors drive victims to seek?or not seek?help. Employing a pioneering methodology that includes both quantitative and qualitative research, they provide a new framework of analysis?what they call ‘practices of love’?that challenges heteronormative models of engaging domestic violence in research, policy, and practice.

Hearsay Mar 05 2020 Senior associate attorney Derrick Swain wants it all: a loving husband, a fulfilling career, and a couple of kids. After years of hard work he's on the fast track to a promotion. He's also met the man of his dreams. A week of daily lunch meetings in Central Park provides the perfect setting to get to know him better, and Derrick thinks it won't be long before they take the next step and go on a date. But instead of asking him out, the object of his affection stops showing up without explanation, leaving him to wonder what went wrong.As part owner of one of the most prestigious law firms in New York City, Roman Bradford knows that professional success isn't the be all end all. Although he's been lucky in life, true love has eluded him for the most part. One too many failed relationships have caused him to be leery of trying again, until he meets a man that can only be described as temptation personified. A few conversations is all it takes for Roman to start believing things will be different this time around. It doesn't matter that they are boss and employee, or that he's feeling too much, too fast. Not when he can see the same emotions in Derrick's eyes. Then life turns on a dime, and Roman has no option but to let his chance at happiness go.A battle of wills ensues when a life-altering case brings them together a year later. Roman wants to do the right thing by not letting anything happen between them, and Derrick is determined to prove they're meant to be together. Evidence will be presented and final arguments will be made. Will they be able to come to an agreement, or will they opt to have their potential relationship dismissed?

Six Degrees of Separation Sep 03 2022 In the sequel to Six Degrees of Lust, F.B.I. team leader Samuel Shaughnessy and bar manager Machlan O'Bannon are exploring a new phase in their non-relationship. The intention is to take it slowly but power plays are still their favorite activity, and it isn't long before lines begin blurring. After ending their friends with benefits agreement no rules are left in place to guide them, and soon enough the only thing that's clear is that neither man is fighting hard enough to reestablish the boundaries.Their particular situations haven't improved in the three months since their first encounter. Sam is still focused on his immediate family issues, and everything indicates Mac will have to go to war with his own family before he can reclaim his freedom. The last thing they need is additional complications.But when the opening of a night club brings Mac to New York City and a break in the Leviticus investigation leads Sam to Houston, they discover how closely their worlds have been connected from the very beginning. Hiding from the life-altering collision is not an option. Will they take the easier road and go their separate ways, or will they come to terms with their past and take a chance on each other?By Degrees is an ensemble serial with continuing story lines. Six Degrees of Separation is the second installment, and it must be read after Six Degrees of Lust.

Key Thinkers of the Radical Right Jun 27 2019 Since the start of the twenty-first century, the political mainstream has been shifting to the right. The liberal orthodoxy that took hold in the West as a reaction to the Second World War is breaking down. In Europe, populist political parties have pulled the mainstream in their direction; in America, a series of challenges to the Republican mainstream culminated in the 2016 election of Donald Trump. In Key Thinkers of the Radical Right, sixteen expert scholars explain sixteen thinkers, providing an introduction to their life and work, a guide to their thought, and an explanation of their work's reception. The chapters focus on thinkers who are widely read across the political right in both Europe and America, such as Julius Evola, Alain de Benoist, and Richard B. Spencer. Featuring classic, modern, and emerging thinkers, this selection provides a good representation of the intellectual right and avoids making political or value judgments. In an increasingly polarized political environment, Key Thinkers of the Radical Right offers a comprehensive and unbiased introduction to the thinkers who form the foundation of the radical right.
