Book Lovers Jun 05 2020 One holiday. Two rivals. A plot twist they didn't see coming... ----- 'Her best yet' Taylor Jenkins Reid, *Malibu Rising* 'One of my favourite authors' Colleen Hoover, *It Ends With Us* 'Magical, delightful, and utterly one of a kind' Ali Hazelwood, *The Love Hypothesis* Nora is a cut-throat literary agent at the top of her game. Her whole life is books. Charlie is an editor with a gift for creating bestsellers. And he's Nora's work nemesis. Nora has been through enough break-ups to know she's the one men date before finding their happy-ever-after. To prevent another dating dud, Nora's sister has persuaded her to swap her city desk for a month's holiday in Sunshine Falls. It's a small town straight out of a romance novel, but instead of meeting sexy lumberjacks, handsome doctors or cute bartenders, Nora keeps bumping into...Charlie. She's no heroine. He's no hero. So can they take a page out of an entirely different book? Brimming with witty banter, characters you can't help but fall for and off-the-charts chemistry, *BOOK LOVERS* is Emily Henry's best novel yet. ----- 'Emily Henry's books are a gift, the perfect balance between steamy and sweet' V. E Schwab, *Gallant* 'So smart, so funny, so sexy' Beth O'Leary, *The No-Show* 'Emily Henry has another hit on her hands' Sophie Cousens, *Just Haven't Met You Yet* 'A thoroughly modern yet classic romance' *Sunday Times* 'Heartfelt, funny, and full of joy. (Also, three cheers for Nora's super-relatable bangs journey!)' Tia Williams, *Seven Days in June* 'The master of witty repartee' *Daily Mail* 'Super fun, sassy, smart, sexy... Emily Henry is now an auto-buy author for me' *Red Magazine* 'Book Lovers is Schitt's Creek for book nerds' Casey McQuiston, *One Last Stop* 'The most phenomenal portrayal of enemies to lovers I have ever read. . .' Laura Jane Williams, *Our Stop*

Mother of Demons Mar 03 2020 A mercenary outcast with a perversion no one cared to think about. A holy leader, who knows her people are on the verge of great upheaval—and who wants to know more about this new tribe of demons. A battle-mother, possibly the greatest battle-mother who ever lived—if the rules of her tribe don't force her into a battle even she can't win. A keeper of the secrets of history who would control the tides of fate—if only she could. A paleobiologist with a terrible sense of humor. They are all revolutionaries, but none of them expected anything like what they're about to experience. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Ship of Theseus Jul 31 2022 One book. Two readers. A world of mystery, menace and desire A young woman picks up a book left behind by a stranger. Inside it are his margin notes, which reveal a reader entranced by the story and by its mysterious author. She responds with notes of her own, leaving the book for the stranger, and so begins an unlikely conversation that plunges them both into the unknown. THE BOOK: *Ship of Theseus*, the final novel by a prolific but enigmatic writer named V. M. Straka, in which a man with no past is shanghaied onto a strange ship with a monstrous crew and launched on a disorienting and perilous journey. THE WRITER: Straka, the incendiary and secretive subject of one of the world's greatest mysteries, a revolutionary about whom the world knows nothing apart from the words he wrote and the rumours that swirl around him. THE READERS: Jennifer and Eric, a college senior and a disgraced grad student, both facing crucial decisions about who they are, who they might become, and how much they're willing to trust another person with their passions, hurts and fears.S., conceived by filmmaker J.J. Abrams and written by award-winning novelist Doug Dorst, is the chronicle of two readers finding each other in the margins of a book and enmeshing themselves in a deadly struggle between forces they don't understand. It is also Abrams and Dorst's love letter to the written word.

Start With Why Apr 15 2021 Simon Sinek's recent video on 'The Millennial Question' went viral with over 150 million views. Start with Why is a global bestseller and the TED Talk based on it is the third most watched of all time. Why are some people and organisations more inventive, pioneering and successful than others? And why are they able to repeat their success again and again? In business, it doesn't matter what you do, it matters WHY you do it. Start with Why analyses leaders like Martin Luther King Jr and Steve Jobs and discovers that they all think in the same way - they all started with why. Simon Sinek explains the framework needed for businesses to move past knowing what they do to how they do it, and then to ask the more important question-WHY? Why do we do what we do? Why do we exist? Learning to ask these questions can unlock the secret to inspirational business. Sinek explains what it truly takes to lead and inspire and how anyone can learn how to do it.

What's Beyond Mindfulness? Aug 20 2021 A life-changing guide to the incredible benefits of living with a radical, hopeful and dharma (Buddhist practice)-based perspective that includes mindfulness but goes way beyond it. A uniquely practical and accessible exploration of Buddhism in everyday life that will have appeal to people of any faith and of none. "A deeply nurturing and illuminating book." - Jon Kabat-Zinn If mindfulness is the gate to the awakened life, this book describes the garden that lies beyond: a magical, rich and fulfilled way of living that comes when we act according to Buddhist principles. Mindfulness - or the practice of paying attention to the present moment - is a part of this, but only one part. This book reveals exactly how radical, exciting and life-changing the full picture of Buddhist ideas about concepts such as compassion, joy, detachment and liberation can be. Its key aim, however, is to do this in a way that appeals to everyone, whether they are interested in Buddhism or not. Written in simple, straightforward language, the book contains 50 essays covering every aspect of modern life, ranging from the mundane to the spiritual. Topics include how to be fulfilled at work, how to relate to money, what mindfulness really means, how to find the magic of the moment, what being authentic means, how to age wisely, how to be friends with your own body, how to step off the treadmill of daily life, what the concepts of emptiness, unity and enlightenment really mean ... and much, much more. This book will imbue your life once more with the sense of magic and mystery that you felt as a child; it will allow you to put down the burdens of anxiety, joylessness, restlessness or a judging mind - it will do all this by enabling you to shift your experience of the world in a truly profound way.

The Rust Programming Language (Covers Rust 2018) Jul 07 2020 The official book on the Rust programming language, written by the Rust development team at the Mozilla Foundation, fully updated for Rust 2018. The Rust Programming Language is the official book on Rust: an open source systems programming language that helps you write faster, more reliable software. Rust offers control over low-level details (such as memory usage) in combination with high-level ergonomics, eliminating the hassle traditionally associated with low-level languages. The authors of The Rust Programming Language, members of the Rust Core Team, share their knowledge and experience to show you how to take full advantage of Rust's features--from installation to creating robust and scalable programs. You'll begin with basics like creating functions, choosing data types, and binding variables and then move on to more advanced concepts, such as: Ownership and borrowing, lifetimes, and traits Using Rust's memory safety guarantees to build fast, safe programs Testing, error handling, and effective refactoring Generics, smart pointers, multithreading, trait objects, and advanced pattern matching Using Cargo, Rust's built-in package manager, to build, test, and document your code and manage dependencies How best to use Rust's advanced compiler with compiler-led programming techniques You'll find plenty of code examples throughout the book, as well as three chapters dedicated to building complete projects to test your learning: a number guessing game, a Rust implementation of a command line tool, and a multithreaded server. New to this edition: An extended section on Rust macros, an expanded chapter on modules, and appendixes on Rust development tools and editions.
