JUMP at Home Grade 8 Jun 17 2021 "John Mighton's JUMP program has demonstrated powerfully that, with the right instruction, no one need be left behind in math." -- New York Times John Mighton's innovative JUMP (Junior Undiscovered Math Prodigies) Math program is changing the way math is taught. With these workbooks, parents and caregivers can bring the JUMP program home. The key to the enormous success of the program is a step-by-step teaching method that isolates and describes concepts so clearly that children can not only understand them, but also build up great confidence in themselves and their ability. This workbook includes an introduction that clearly explains the thinking behind the program and follows the carefully designed worksheets used by JUMP tutors and classroom teachers. Royalties from the sales of the JUMP workbooks are donated to the JUMP organization.

Summer Bridge Activities® May 17 2021 Workbook Features: • Ages 12-14, Grades 7-8 • 160 pages, about 8 inches x 10 1/2 inches • Reading, writing, math, science, social studies, and more • Includes fun fitness activities • Flash cards, completion certificate, and answer key included Hands-On Summer Learning: Summer Bridge Activities Workbook helps seventh—eighth graders keep their skills sharp during the summer months to prevent summer learning loss through fun practice pages and activities, engaging fitness activities, and more. What's Included: This book covers all subjects, focusing on grammar, reading comprehension, graphing, dictionary skills, geometry, social studies, science experiments, fitness activities, and more. Includes flash cards and a completion certificate. How It Works: Each page is numbered by day so kids and parents can track progress and reach monthly learning goals. Each activity features clear, step-by-step instructions and practice pages to help sharpen students' skills for the school year ahead. Just 15 Minutes A Day: Two months of learning loss occurs during the summer, with the highest losses being in math and spelling. This activity book is designed to prevent summer learning loss in just 15 minutes per day through hands-on activities. Why Summer Bridge: Award-winning Summer Bridge Activities® engage children's creativity and learning potential and keep kids mentally and physically active to prevent summer learning loss and pave the way for a successful new school year ahead.

Common Core Math Workouts, Grade 6 Sep 28 2019 Each page in Common Core Math Workouts for grade 6 contains two "Workouts"; one for skills practice and one for applying those skills to solve a problem. These workouts make great warm-up or assessment exercises. They can be used to set the stage and teach the content covered by the standards. They can also be used to assess what students have learned after the content has been taught. Content is aligned with the Common Core State Standards for Mathematics and includes Geometry, Ratio and Proportional Relationships, The Number System, Expressions and Equations, and Statistics and Probability. The workbooks in the Common Core Math Workouts series are designed to help teachers and parents meet the challenges set forth by the Common Core State Standards. They are filled with skills practice and problem-solving practice exercises that correspond to each standard. With a little time each day, your students will become better problem solvers and will acquire the skills they need to meet the mathematical expectations for their grade level.
