**Back Porch Faith** May 29 2020 The essays included are informal, accessible musings, not sanctimonious sermons. They are intended for anyone who wants to take time to consider spiritual issues, regardless of his or her involvement in organized religion. The subjects addressed are universal: faith in God, forgiveness, appreciation of one's family, the fleetingness of time, the relationship between science and religion. Back Porch Faith will appeal to the growing number of people who have come to feel that spirituality is not simply the province of their own particular denomination or sect. Any thoughtful person, whether Christian, Jew, Buddhist, or other, will feel engaged and enriched by the words found here.

*Grounding Our Faith in a Pluralist World* Mar 07 2021 This book draws upon the Mahayana philosophy developed within Buddhism, employing it as a means to empty our usual alternatives for viewing the world's many religions--whether exclusivism, inclusivism, or pluralism. The aim is to free people from clinging to intellectual positions, enabling them gently but committedly to affirm their vernacular tradition as it is practiced on the ground. It critiques the above three options, and introduces the

Mahayana philosophy of emptiness and dependent arising, along with its distinction between ultimate truth and conventional truth. It then applies this philosophy to an urgent question that bedevils modern people: how to practice one's chosen faith in the awareness of many other honored and attractive paths, both elegant and efficacious.

**Faith Formation of the Laity in Catholic Schools** Sep 20 2019 Two major real-world problems prompted this study: maintaining the Catholic identity of the Catholic schools, and increasing interest in character education. Traditionally, Catholic schools in the United States were staffed exclusively by priests, sisters, and brothers. Today, they are predominately staffed by laypersons. This change has influenced the essential religious character and culture of Catholic schools. While Religious filter their teachings through their own religious training and emphasize the mission and charisma of Catholic education, lay staff often lack the same intensely religious experiences to bring to the teaching/learning environment. This qualitative interview study explored

the influence that a series of spirituality and virtue seminars had on lay teachers' perceptions of the Catholic school and character education.

*The Great Schism of the West* Jul 23 2022 This early work is thoroughly recommended for inclusion on the bookshelf of all Christian theologians. Written by one of the founding members of the Seventh-day Adventist Church, *The Great Controversy* charts the cosmic battle played out between Jesus and Satan from its birth in heaven to its conclusion when the world is destroyed and recreated. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**Good Shepherd, 1** Aug 20 2019 Book 1: Good Shepherd introduces students to the fundamental truths of the Faith in an engaging picture book format, with all new illustrations. Children will learn about the Church, God the Father, the Lord's Prayer, the life of Christ, the Holy Spirit, and Mary. Includes basic prayers that every child can come to know and love and simplified catechism lessons that will prepare children for the later books.

**God, Grades, and Graduation** Aug 12 2021 "It's widely acknowledged that American parents from different class backgrounds take different approaches to raising their children. Upper and middle-class parents invest considerable time facilitating their children's activities, while working class and poor families take a more hands-off approach. These different strategies influence how children approach school. But missing from the discussion is the fact that millions of parents on both sides of the class

divide are raising their children to listen to God. What impact does a religious upbringing have on their academic trajectories? Drawing on 10 years of survey data with over 3,000 teenagers and over 200 interviews, *God, Grades, and Graduation* (GGG) offers a revealing and at times surprising account of how teenagers' religious upbringing influences their educational pathways from high school to college. GGG introduces readers to a childrearing logic that cuts across social class groups and accounts for Americans' deep relationship with God: religious restraint. This book takes us inside the lives of these teenagers to discover why they achieve higher grades than their peers, why they are more likely to graduate from college, and why boys from lower middle-class families particularly benefit from religious restraint. But readers also learn how for middle-upper class kids--and for girls especially--religious restraint recalibrates their academic ambitions after graduation, leading them to question the value of attending a selective college despite their stellar grades in high school. By illuminating the far-reaching effects of the childrearing logic of religious restraint, GGG offers a compelling new narrative about the role of religion in academic outcomes and educational inequality"--

Authorized Faith Oct 22 2019 Have you ever felt defeated in the battle as if you do not have the tools to fight? Or maybe you have been in a situation where you feel trapped with no way out. Or at times you feel as though your current circumstances are larger than you and you are at the point of drowning. This book informs you that God has given you the Authority to walk in Faith! You have the ability to believe God, to trust him and to stand firm in faith regardless of how your situation looks. For when you have done all to stand, continue Standing! You can choose to disperse the lies of the enemy and rely on God to work Miracles in your life and see his glory revealed. When living for God, we must fight the good fight of faith. For the weapons of warfare are not carnal but they are Mighty through God, to the pulling down of strongholds. Therefore we fight in prayer, we fight when fasting, we fight when offering praises to

God, we fight when reading and studying the word of God and allowing our minds to be renewed. This journey with God is a continuous fight of faith! For Faith cometh by hearing, and hearing by the Word of God. Therefore, we must hear the Word of God constantly for our faith to grow and develop. We need to listen to it, read it, meditate on it and apply it to our lives. As we do this we will grow in God and be able to endure our everyday challenges. For we live from Faith to Faith!

*Storms Are Faith's Workout* Oct 14 2021 Are you struggling with the storms of this life? Do you feel overwhelmed with the constant onslaught? This book is your help to withstand the ambushes of an enemy that wants you to give up your faith. At seventy-one years of age, my life has endured the onslaught of many storms (trials of my faith), and through them I have gained insight as to how to overcome. This book uses scriptural and personal examples. I use a sound biblical foundation to build the chapters. Only the word of God can teach the truth that is needed in this trying and overwhelming time that we live in. The faith of many Christians is being attacked, and they do not know how to rise above. This book is compiled as a result of enduring the

attacks that have been directed at me by a cunning and crafty enemy. It is through the storms assailed against me that I have learned how to surmount the ambushes. It is my prayer that my years of endurance will teach others how to do likewise. It will take an effort on their part to read the book to the end, but they should come away with an understanding of God's love, with the knowledge of how to overcome the storms, and how to be standing when the storm has ceased.

**Common Sense Faith** Nov 22 2019 What is it about Jesus, the church, the sacraments, and prayer that inspires, motivates, and encourages us? Can we doubt and follow our conscience and still be faithful Catholics? Why is forgiveness essential to conversion? What does it mean to be holy? Fr. Patrick Brennan addresses these questions and helps us to see how our faith can breathe life into what matters most in our lives and the lives of those we love.

**Scripture and Truth** Jun 29 2020 From a biblical, historical, or theological perspective each essay examines a challenge to belief in the integrity and reliability of Scripture. What emerges from these essays is a full-orbed restatement of this evangelical doctrine.
