*On the Track of the Books* Aug 05 2020 This book offers the hint for a new reflection on ancient textual transmission and editorial practices in Antiquity. In the first section, it retraces the first steps of the process of ancient writing and editing. The reader will discover how the book is both a material object and a metaphorical personification, material or immaterial. The second section will focus on corpora of Greek texts, their formation, and their paratextual apparatus. Readers will explore various issues dealing with the mechanisms that are at the basis of the assembling of ancient Greek texts, but great attention will also be given to the role of ancient scholarly work. The third section shows how texts have two levels of authorship: the author of the text, and the scribe who copies the text. The scribe is not a medium, but plays a crucial role in changing the text. This section will focus on the protagonists of some interesting cases of textual transmission, but also on the books they manufactured or kept in the libraries, and on the words they engraved on stones. Therefore, the fresh voices of the contributors of this book, offer new perspectives on established research fields dealing with textual criticism.

some reason, he wants me. His pursuit is relentless. He wrote the playbook on being a player, though. Giving in could cost me my heart. Holden I thought getting traded to the Blaze was life changing, but it's nothing compared to meeting Parker Monroe. From the moment she bumps into me on the crowded dance floor, I can't tear my eyes away. She's gorgeous, intelligent, and definitely not interested. When the truth gets twisted, it looks like I'm playing her. But she has it all wrong. The way I feel about Parker is beyond the play. She's my end game.

Too bad the only place Chase wants her is in his bed. Men leave. Success is forever. Brooke knows the drill, and she's not letting anyone get in the way of her career--or into her heart. *Tryst* Apr 12 2021 She's the eighteen year old best friend of his only daughter, one look and he's hooked, but going there might open up a shit load of problems he didn't really have time for. But her body haunted his dreams and his dick would give him no peace until he got it what it wanted. He's older, loaded and hot; what's a girl to do? I know what this girl will be doing....him. My girly bits have spoken loud and clear and as inexperienced as she was, she had no doubt she could more than handle the brawny tattooed hunk that all the girls were raving about.

*Fat Cat Liar* May 14 2021 The night I met Greer Palmer was no coincidence. The plan was perfect. Everything was in place. All I had to do was get her attention and the rest would take its course. What I didn't plan was my reaction the first time she spoke. "Are you okay?" Three little words... That's all it took for her to steal my breath and shatter every thing I'd expected. She was supposed to be a spoiled socialite, a pampered princess, an elite heiress- anything other than the striking beauty that blew my misconceptions to pieces. One kiss and I became obsessed. One night and I became addicted. One month and she became my world. Suddenly, my plan wasn't so perfect. To her, I am sunset kisses, whispers of seduction, and promises of forever. It's all a lie... I'm Lawson Hall. My name and reputation speaks for itself as one of the most successful architects in the industry. Conceited, arrogant, egotistical, ruthless- I've earned it all. In reality, I've bided my time, done my job, and waited my turn. Now is my chance. Greer thinks we met by accident, but she's wrong. Once the lies are exposed, will the truth be enough?

**I Just Want You** Nov 07 2020 New Standalone "Go to college," they said. "Get a good job," they said. "It will be a piece of cake." Well, whoever they are, they lied. Sure, college was a blast, but after college, not so much. The finding a job to go with my expensive education, that part was not so easy. At least not until I was offered a position at the new club in town. Life is defined by the little moments that have the power to change it completely. I never thought getting a cup of coffee would change mine, but it did. She did. She's one of those moments. He's my boss. She's my employee. I want him. I can't resist her.
