Blott On The Landscape Mar 27 2022 The landscape is flawless, the trees majestic, the flora and the fauna are right and proper. All is picturesquely typical of rural England at its best. Sir Giles, an MP of few principles and curious tastes, plots to destroy all this by building a motorway smack through it, to line his own pocket and at the same time to dispose of his wife, the capacious Lady Maude. But Lady Maude enlists a surprising ally in her enigmatic gardener Blott, a naturalised Englishman in whom adopted patriotism burns bright. Lady Maude's dynamism and Blott's concealed talents enable them to meet pressure with mimicry, loaded tribunals with publicity and chilli powder, and requisition orders with wickedly spiked beer. This explosively comic novel will gladden the heart of everyone who has ever confronted a bureaucrat, and spells out in riotous detail how the forces of virtue play an exceedingly dirty game when the issue is close to home.

The Throwback Feb 23 2022 When Lockhart Flawse is catapulted out of his upper-class and rapunzel-esque life with the curmudgeonly Flawse Senior, he must enter the world of suburbia, and marriage. Rendered an absolute twit in modern society by his medieval upbringing, Lockhart must resort to drastic tactics in his attempt to return to Flawse House. Faced with the horrors of suburbia, he must either terrorise, blackmail and potentially kill an entire street of his tenants, or attempt to find his unknown and elusive father in order to inherit the estate. However, with the belief that he was dropped into his mother's arms by a stork, killing a street of people may be the wiser option for the socially inept young man. He is also under mounting pressure, as it may all be in vain if his gold-digging mother-in-law has her way. Now the wife of Flawse Senior, she has decided that if Lockhart's wealthy grandfather can't have the decency to die on his own, she will take matters into her own hands.

Tom Gates: Extra Special Treats (. . . not) Dec 24 2021 It's really cold outside and we're all hoping it's going to snow. Yeah! Riotous Assembly May 29 2022 When Miss Hazelstone of Jacaranda Park kills her Zulu cook in a sensational crime passionel, the gallant members of the South African police force are soon on the scene: Kommandant van Heerden, whose secret longing for the heart of an English gentleman leads to the most memorable transplant operation yet recorded; Luitenant Verkramp of the Security Branch, ever active in the pursuit of Communist cells; Konstabel Els, with his propensity for shooting first and not thinking later - and also for forcing himself upon African women in a manner legally reserved for male members of their own race. In the course of the strange events which follow, we encounter some very esoteric

perversions when the Kommandant is held captive in Miss Hazelstone's remarkable rubber room; and some even more amazing perversions of justice when Miss Hazelstone's brother, the Bishop of Barotse, is sentenced to be hanged on the ancient gallows in the local prison. Not a 'political' novel in any previously imagined sense, *Riotous Assembly* provided a completely fresh approach to the South African scene - an approach startling in its deadpan savagery and yet also outrageously funny.

The Accidental Secret Agent May 05 2020 Schoolboy turns secret agent in this hilarious spy spoof! Before you read this, I want you to carefully check that no-one is reading over your shoulder - go ahead, do it now. First off, that was terrible - really obvious. If I'm going to tell you top secret government information, you're going to have to be a bit more stealthy. Try again. Was anyone looking? No? Right, then I'll begin. This year the secret service made a major mix up, they mistook a 13-year-old boy called Kevin for a secret agent (I know, so much for an 'intelligence' agency). This was the sort of kid that would try and zip wire across a building and end up falling head first into a fountain with his bum on show, so can you imagine what happened when he was allowed access to the amazing sort of spy gadgets that James Bond would use? Despite this, it was up to Kevin to save us all from an evil supervillain. It was the most dangerous, daring mission in the history of the secret service, and also its biggest blunder. This top secret book uncovers the entire story of Kevin's fateful and hilarious mission.

The Brilliant World of Tom Gates Jul 19 2021 The top-selling U.K. series for middle-grade readers now crosses the pond Meet Tom Gates. When his teachers don't have their beady eyes on him, he likes to draw pictures and write about stuff, like last summer's worst camping vacation ever (five merits), or how much he hates sitting next to nosy Marcus Meldrew, the most annoying boy at school. All Tom really wants is to score tickets to see the best band ever, Dude3, when they come to town, and to impress Amy Porter, who is very nice and smart (but is currently ignoring him). Tom's teachers think he is easily distracted and "lacks focus," but that's a bit harsh -- can he help it if his grumpy big sister, Delia, made him late for school (again), or that last night's homework had to be sacrificed to stave off a vicious dog attack? Master of excuses, creative storyteller, and middle-school comedian extraordinaire, Tom Gates is guaranteed to get kids turning the pages -- and keep them laughing.

The book turns out to deal with the love affair between an 80-year old woman and a 17-year old youth. The populist American publisher Hutchmeyer agrees to sign a deal to publish the book in the United States for \$2 million, providing the author carries out a promotional tour of the country. Sonia and Frensic decide to use aspiring but unpublished author Peter Piper to stand in for the anonymous author. But when Piper receives a proof copy of *Pause* from the publisher by mistake, it takes a certain amount of persuasion and arm-twisting from Sonia Futtle to convince Piper to travel to America.
