[He Was Not There](#) Feb 17 2022 Zachary Goldman just wants to put everything that happened to him that night at the hands of a monster behind him forever. But when Heather, his estranged sister, asks for his help in bringing her own rapist to justice, there is no way he can turn her down. The case is cold, three decades ago. Heather never saw her attacker's face, as he was wearing a mask. At the time, the police did everything they could, but there have been new advancements in technology and Zachary hopes to turn up something he can use to solve the case. Somehow, he needs to find a way to finally bring Heather some peace, even when it means dealing with his own painful memories.

[The Corpse that Wasn't There](#) Aug 23 2022 Kids, dogs, and special dog show classes just for youngsters: what could be more fun? Try adding a psychic Saluki hound with a nose for trouble, a mysterious body that appears and disappears, a dark, spooky museum, and an exciting police chase through the night! Ages 8-12 ; kids have fun while learning about dog shows.

[The Woman Who Wasn't There](#) Mar 18 2022 Detective Troy Cavanaugh had never met a woman who didn't like him—until Agent Delene D'Angelo crossed his path. Thrown together by a murder investigation, Troy's attempts to get closer to the sexy parole officer were met with staunch disinterest. But Troy had also never turned away from a challenge.... Delene hadn't escaped the clutches of her abusive ex just to fall prey to another smooth-talking pretty boy. And yet she couldn't help falling for Troy's lethal charm, or the tender love he offered to heal her fragile heart. But Delene was living a lie, and when her past caught up to her, would Troy be able to protect her?

[Mac Detective Series 08: The Girl Who Wasn't There](#) Mar 06 2021 The trail Mac found himself trying to follow was very cold. Another private detective -- his friend Barry Henley -- had been killed a year earlier in a fall from a tenth-story window, and the cops had written it off as accidental. But when Hensley's widow told Mac that several people had tried to get into her apartment under various pretexts; when Mac found she was being followed; and when the mug shot she picked out of the police department files proved to be that of a very tough egg, Whiskey Davis -- suddenly Henley's death began to look like murder. Mac knew for sure when the next death couldn't have been accidental. A bomb that blows up car and driver when the ignition is turned is never anything but murder.... "Mac is one of our best private eyes." -- San Francisco Chronicle "Thomas B. Dewey is one of detective fiction's severely underrated writers!" -- Bill Pronzini "More than one rub-out for private eye Mac to run through when a man with a well-minked wife is shot down by a police sergeant from Steel City, outside of Chicago. Exit also for an attorney, a safecracker and assorted others who are linked to the importance of teenage Marianne, the rehabilitation project of moneyman Lloyd, and a series of black-mailing pictures. Scrappy all the way." -- Kirkus Reviews "Mac has been called one of the most believable and humane PI's in crime fiction. He is reluctant to use either his gun or his fists, but will do so when the situation demands it, or in self-defense; he doesn't merely solve his clients' cases, but provides moral support and sympathy as well; and perhaps most notable of all, Mac feels, and is not afraid to show it, pain, loss, sorrow, loneliness." --thrillingdetective.com

[The Woman Who Was Not There](#) Jan 04 2021 Fanny Fanfairly has recently inherited an infamous Victorian brothel house in the centre of Windsor. The house is now rundown and empty, apart from the strange wax models - each striking an erotic pose - that inhabit every floor. And Fanny is convinced these models are moving all by themselves . . . She asks her friend, high-ranking policewoman Charmian Daniels, for help. But Charmian has little time to ponder on the old woman's bizarre fears, for a London prostitute, Alicia Ellendale, has gone missing following a day trip to Windsor. Alicia has one very distinguishing feature - the stub of a sixth toe on her right foot. A missing person case would not normally be Charmian's domain - but her bosses are getting twitchy because Alicia was last seen on her way to visit Frank Felyx, a recently retired detective inspector from their division. What's more, Frank is now refusing to open his door. Charmian is given the unenviable task of finding the missing woman before the police are dragged into a messy case. And at some point she's still got to sort out the strange goings-on in Fanny's new house . . . Then a young boy makes a gruesome discovery on the river bank at Runnymede - a shoe bearing a woman's severed foot . . .

[The Girl Who Wasn't There](#) Jan 16 2022 The Girl Who Wasn't There is the story of a man picking up a ghostly hitchhiker one night and giving her a lift home only to have her disappear on him. Her ghost continues to haunt him and together with his friends they begin the search to track down her killer from twenty years ago with surprising results...

[Down a Street That Wasn't There](#) Jun 21 2022 Step beyond the ordinary . . . Beneath the surface of our reality lies a world of magic and danger -- a world where buildings have guardian spirits, shapeshifting coyotes prey on the hopeful and the desperate, and ancient traditions prepare for an apocalyptic future. These seven urban fantasy tales from award-winning author Marie Brennan paint the everyday with a layer of wonder, inviting you to imagine what could lie just around the corner. TABLE OF CONTENTS * "Coyotaje" * "Selection" * "Such as Dreams Are Made Of" * "La Molejera" * "Comparison of Efficacy Rates for Seven Antipathetics as Employed Against Lycanthropes" * "The Last Wendy" * "The Genius Prize" * Story notes Cobbett's Parliamentary Debates Sep 19 2019

[The Girl Who Wasn't There](#) May 28 2020 Nothing ever happens on Kasia's street. And Kasia would know, because her illness makes her spend days stuck at home, watching the world from her bedroom window. So when she sees what looks like a kidnapping, she's not sure whether she can believe her own eyes... There was a girl in the window across the street--did she see something too? But when Kasia goes to find her she is told the most shocking thing of all. There is no girl.

[The Woman Who Wasn't There](#) Oct 25 2022 Traces the story of Tania Head, who falsely claimed to be a September 11 survivor, describing her

interviews with the co-author and the discovery that she was not in America at the time of the attacks.

The Man Who Wasn't There May 08 2021 Ernest Hemingway was an involuntary chameleon, who would shift seamlessly from a self-cultivated image of hero, aesthetic radical, and existential non-conformist to a figure made up at various points of selfishness, hypocrisy, self-delusion, narcissism and arbitrary vindictiveness. Richard Bradford shows that Hemingway's work is by parts erratic and unique because it was tied into these unpredictable, bizarre features of his personality. Impressionism and subjectivity always play some part in the making of literary works. Some authors try to subdue them while others treat them as the essentials of creativity but they endure as a ubiquitous element of all literature. They are the writer's private signature, their authorial fingerprint. In this ground-breaking and intensely revealing new biography, including previously unpublished letters from the Hemingway archives, Richard Bradford reveals how Hemingway all but erased his own existence through a lifetime of invention and delusion, and provides the reader with a completely new understanding of the Hemingway oeuvre.

The Man Who Wasn't There Jun 09 2021 On the side of a mountain in Sweden, six bodies have been found. Skeletons, more precisely. These bodies were buried a long time ago. And for Sebastian Bergman that just makes the investigation into who they are, who killed them, and why, even more complex. Because Bergman has, of course, found himself on the investigating team. At first it was a chance to escape his ex-girlfriend and spend some time with his daughter, Vanja. An opportunity to try and build a relationship with her before it's too late. But soon he finds that he's more involved than he would ever want to be. And his personal life is horribly, disastrously, tangled up in it all . . .

The Day I Wasn't There Jul 22 2022 "Tragedy and comedy intimately and movingly mingle in Helene Cixous's *The Day I Wasn't There*. Its narrator, who resembles Cixous, recounts the birth and death of her first child, a Dawn's syndrome baby she abandons to the care of her midwife mother in an Algerian maternity hospital. She uses this event to probe her family history and her relationship with her mother, a refugee from Nazi Germany; her dead father, after whom the baby is named; her doctor brother, who takes the infant under his wing; and her grandmother Omi. Cixous's elusive writing bears all the trademarks of her poetic and provocative style, vivid with wordplay, intense feeling, and a stream of consciousness that moves freely over time and place. Informed by psychoanalytical theory and always brutally honest, *The Day I Wasn't There* is above all an intimate study of a woman's inner landscape."--BOOK JACKET.

The Bear Who Wasn't There Aug 31 2020 This book is about Bear... so what happens when he doesn't show up on his page? Who will find him? Will it be Giraffe, who himself seems to always be in the wrong place at the wrong time, or Cow, or perhaps even the author herself? One thing's for sure--it probably won't be Duck. Duck doesn't seem concerned that Bear is missing. In fact, he seems to be trying to steal the show for himself! Duck would much prefer that the reader pick up his own book, *The Duck Who Showed Up*. He even disguises himself as Bear in an attempt to fool the reader. But after pages and pages of Duck's antics and search-party chaos, Bear appears somewhere utterly unexpected. In fact, it looks like someone may have tried to get rid of him on purpose.... LeUyen Pham's *The Bear Who Wasn't There* takes readers a hilarious search for the missing title character.

The Girl Who Wasn't There Apr 07 2021 Sebastian von Eschburg, scion of a wealthy, self-destructive family, survived his disastrous childhood to become a celebrated if controversial artist. He casts a provocative shadow over the Berlin scene; his disturbing photographs and installations show that truth and reality are two distinct things. When Sebastian is accused of murdering a young woman and the police investigation takes a sinister turn, seasoned lawyer Konrad Biegler agrees to represent him - and hopes to help himself in the process. But Biegler soon learns that nothing about the case, or the suspect, is what it appears. The new thriller from the acclaimed author of *The Collini Case*, *THE GIRL WHO WASN'T THERE* is dark, ingenious and irresistibly gripping.

JPWA Aug 19 2019

When God Isn't There Jun 28 2020 Why does God feel so far away? Why is my worship so empty? Has God left me? David Bowden knows these questions firsthand, having wrestled for years with God's apparent absence and studying what the Bible says about it. In this new book, Bowden tackles the subject head-on, finding the key to understanding it in the Bible's depiction of a God who is infinitely far from us, free to move where he wants, but who chooses to come near in the person of Jesus. A resource of encouragement for those who struggle with feeling God's absence and a wake-up call to those who take God's presence for granted, *When God Isn't There* will forever change your understanding of why God sometimes seems to vanish and how he can be found again. Praise for the work of David Bowden "Awesome and inspiring."—Blake Mycoskie, Founder and Chief Shoe Giver at TOMS Shoes "David brings a fresh, engaging and highly impactful approach to Scripture. His passion for the Word is both contagious and inspirational." —Roy Peterson, President of American Bible Society

The Thief Who Wasn't There Apr 19 2022 *The Thief Who Wasn't There* is the fourth volume in Michael McClung's *Amra Thetys* series. Bellarius, saved from utter destruction, is now plunged into vicious civil war. Amra has vanished, and while Holgren has a plan to find her and bring her back, his plan teeters between impossibility and insanity. Before he can even implement it, Holgren will have to deal with three separate armies vying for control of Bellaria, all of which view him as either a threat, an inconvenience, or a potential tool. Meanwhile, Holgren seeks to trap one of the monstrous rift-spawn — abominations born of the Telemarch's madness and power — and bend it to his will. Then, he intends to descend into the eleven hells to steal an ancient artifact of incredible power from the dire halls of the Black Library. Oh, the things we do for love.

Mission Gamma: Book One Apr 26 2020 *THE TIME HAS COME...*for a new era of exploration. With the Dominion War behind them, the crew of the U.S.S. *Defiant* journeys through the wormhole as Commander Elias Vaughn leads a "corps of discovery" to blaze new trails into the unexplored reaches of the Gamma Quadrant. *THE TIME HAS COME ...*for a civilization to reach a crossroads. As political forces throughout the Alpha Quadrant intersect at Deep Space 9™ to determine the future of Bajor, the planet's theological unity threatens to shatter. And for Colonel Kira Nerys, the path of the Prophets may become a road to ruin. *THE TIME HAS COME...*for a father and daughter to confront their past while a mother and son fight for the future, for lovers to be tested and for friendships to transform, and for worlds on opposite ends of the galaxy to face the dusk...or the dawn.

TWILIGHT

The Raven Aug 11 2021

I Just Need You Dec 03 2020 Kresley Studying abroad was my chance to gain independence away from my privileged life in California. But, when there's a kidnapping attempt on my life, I'm forced to return home to finish college. I just never expected to get stuck with a pompous, know-it-all bodyguard who watches my every move with nothing but disdain. One whose good looks don't soften the cold, impenetrable wall he wears like armor. Tristan I pride myself on being a professional and taking my job as a bodyguard seriously. But, nothing could prepare me for the high maintenance, rich girl I'm hired to protect. She's got a smart mouth, is hell-bent on pushing my buttons, and doesn't take the threats against her seriously. And despite the nightmares that plague her dreams, or the fact that I'm the only one who knows about them, I'm not there to befriend her. I'm there to protect her...no matter how much she intrigues me. Jabs will be exchanged, glares will become the norm, jealousy will rear its ugly head, and sparks...well those damn things will inevitably fly. But will it all come with a dangerous price?

The Boy Who Wasn't There Feb 05 2021 Thirteen-year-old Arnold is always getting into trouble - but nowhere near as serious as when he sees a dead body, floating in a lake. He's the only witness to this crime - and now, someone is trying to kill him too.

Paranormality Jul 18 2019 "People are emotionally drawn to the supernatural. They actively want weird, spooky things to be true . . . Wiseman shows us a higher joy as he deftly skewers the paranormal charlatans, blows away the psychic fog and lets in the clear light of reason." Richard Dawkins Professor Richard Wiseman is clear about one thing: paranormal phenomena don't exist. But in the same way that the science of space travel transforms our everyday lives, so research into telepathy, fortune-telling and out-of-body experiences produces remarkable insights into our brains, behaviour and beliefs. *Paranormality* embarks on a wild ghost chase into this new science of the supernatural and is packed with activities that allow you to experience the impossible. So throw away your crystals, ditch your lucky charms and cancel your subscription to *Reincarnation Weekly*. It is time to discover the real secrets of the paranormal. Learn how to control your dreams -- and leave your body behind Convince complete strangers that you know all about them Unleash the power of your unconscious mind

The Woman Who Wasn't There Sep 24 2022 Traces the story of Tania Head, who falsely claimed to be a September 11 survivor, describing her interviews with the co-author and the discovery that she was not in America at the time of the attacks.

The Pig Who Wasn't There May 20 2022

In Their Own Voices Dec 23 2019

The Girl Who Wasn't There Jul 10 2021 A story of friendship and ghostly mystery from one of the best-loved UK writers for girls. Maisie's dad has a new job as live-in caretaker of a Victorian school. Finding it hard to make friends, things change when Maisie tells her new classmates about something strange she saw the night before - a girl's face in the window of a gothic tower.

The Bear Who Wasn't There Nov 02 2020 A delightful children's book "filled with surreal gags about prepositions and adverbs, cheerful absurdity, and down the rabbit hole-style musings" (School Library Journal). One day, a few minutes after Once Upon a Time, a bear awakes to find he has lost something very important: himself! He sets out into the Fabulous Forest to find himself, using only a few clues scrawled on a piece of paper: the bear he's looking for is a nice bear; he is a happy bear; and he's very handsome too! These sound like pretty good qualities to Bear, and so begins his memorable journey. With the help of critters like the Convenience Cow, the Lazy Lizard, the Turtle Taxi, and the Penultimate Penguin, Bear finds that he himself is just what he's been looking for all along: a nice, happy bear—and handsome too! "A melding of Phantom Tollbooth logic, Alice in Wonderland whimsy, and peppered with a cast of unforgettable Little Prince like characters . . . You can't help fall into the imaginative world of this delightfully clever picture book." —BookBloom "Irresistible." —O, The Oprah Magazine "Gentle wordplay and Lewis Carroll-like paradoxes . . . Everything is new to Bear, and his discoveries will delight readers." —Publishers Weekly (starred review) "Erlbruch's playful, distinctive illustrations . . . are sublime." —Kirkus Reviews "Young readers with a philosophical nature and an appreciation for provocative silliness will be especially gratified by Bear's self-discovery . . . The Fabulous Forest effectively evokes a fairy tale feel, and Bear, a portly fellow with huge eyes, a bright red mouth, and colorful flecks in his black fur, is loveable at first sight." —New York Journal of Books

The Man Who Wasn't There Sep 12 2021 "Nominated for the 2016 PEN/E.O. Wilson Literary Science Writing Award" *An NBC News Notable Science Book of 2015* *Named one of Publishers Weekly's Best Books of 2015* *A Book of the Month for Brain HQ/Posit Science* *Selected by Forbes as a Must Read Brain Book of 2015* *On Life Changes Network's list of the Top 10 Books That Could Change Your Life of 2015* In the tradition of Oliver Sacks, a tour of the latest neuroscience of schizophrenia, autism, Alzheimer's disease, ecstatic epilepsy, Cotard's syndrome, out-of-body experiences, and other disorders—revealing the awesome power of the human sense of self from a master of science journalism. Anil Ananthaswamy's extensive in-depth interviews venture into the lives of individuals who offer perspectives that will change how you think about who you are. These individuals all lost some part of what we think of as our self, but they then offer remarkable, sometimes heart-wrenching insights into what remains. One man cut off his own leg. Another became one with the universe. We are learning about the self at a level of detail that Descartes ("I think therefore I am") could never have imagined. Recent research into Alzheimer's illuminates how memory creates your narrative self by using the same part of your brain for your past as for your future. But wait, those afflicted with Cotard's syndrome think they are already dead; in a way, they believe that "I think therefore I am not." Who—or what—can say that? Neuroscience has identified specific regions of the brain that, when they misfire, can cause the self to move back and forth between the body and a doppelgänger, or to leave the body entirely. So where in the brain, or mind, or body, is the self actually located? As Ananthaswamy elegantly reports, neuroscientists themselves now see that the elusive sense of self is both everywhere and nowhere in the human brain.

Drama! Jul 30 2020 When Destiny's wild behavior lands her in serious trouble with the law, it's up to her brother to again rescue her. Having no choice, he accepts a favor from a rogue cop—a favor that he'll soon regret taking that will cost much more than they're willing to pay.

Africa Now Oct 21 2019

The Man Who Wasn't There Nov 14 2021 An actress, a politician - and a murder by poison where no one is above suspicion. Classic crime fiction from one of the greats of the era. Marjorie Hyde, a gifted but unsuccessful actress, is happily married. Like many members of her profession she is temperamental, and though not that beautiful has that Titian colouring that is supposed to make men mad. Her husband, Christopher, is insanely jealous, and after learning that she is frequently in the company of Philip Clare, a barrister and Parliamentary candidate, Christopher threatens to instigate divorce proceedings that would ruin his rival's career. The same night, he drinks his usual glass of after-dinner port and dies from hyosin poisoning. And in the unravelling of the mystery surrounding his death, nobody is free from suspicion.

The Girl Who Wasn't There Oct 13 2021 New York Times and USA Today best-selling author Trust no one. Not your best friend, not your wife, not the police—and certainly not yourself. Sidney O'Keefe just wants to spend a peaceful weekend alone with his wife and daughter in the vacation paradise of Lake Placid, New York—now that he's been paroled after a ten year stretch in a maximum-security prison. But any illusion of a peaceful future is destroyed when his eleven-year-old daughter, Chloe, suddenly disappears from the iconic beach scene, leaving Sidney and his wife, Penny, stricken with fear and panic. When it's determined that his old crime boss, Mickey Rabuffo, might be behind the abduction, it becomes apparent that the past has not only come back to haunt Sidney, but it's come back to kill the entire family. With the village police assuming that Sidney, an ex-con with a history of prison violence, is responsible for his daughter's disappearance, Sidney is left with no choice—he needs to take the law into his own hands—not only to expose the truth about what's developing into a conspiracy of Biblical proportions, but also to render his own particular brand of rough justice. Perfect for fans of Gillian Flynn and Paula Hawkins

Hotel & Catering Review Jun 16 2019

The House That Wasn't There Oct 01 2020 "In this luminous story full of mystery and magic, Elana K. Arnold weaves a shimmering tapestry about the lovely and surprising ways we're connected to each other. Heart-healing, hopeful, and wonderfully inventive, this beautiful novel by a master storyteller is not to be missed." —Katherine Applegate, Newbery Medal-winning author of *The One and Only Ivan* Alder has always lived in his cozy little house in Southern California. And for as long as he can remember, the old, reliable, comforting walnut tree has stood between his house and the one next door. That is, until a new family—with a particularly annoying girl his age—moves into the neighboring house and, without warning, cuts it down. Oak doesn't understand why her family had to move to Southern California. She has to attend a new school, find new friends, and live in a new house that isn't even ready—her mother had to cut down a tree on their property line in order to make room for a second floor. And now a strange boy next door won't stop staring at her, like she did something wrong moving here in the first place. As Oak and Alder start school together, they can't imagine ever becoming friends. But the two of them soon discover a series of connections between them—mysterious, possibly even magical puzzles they can't put together. At least not without each other's help. Award-winning author Elana K. Arnold returns with an unforgettable story of the strange, wondrous threads that run between all of us, whether we know they're there or not.
